

Dual Admission 2+2

Students interested in opting into the dual admission program between the Community College System of NH and the University System of NH (USNH) must sign the dual admission contract at the time of admission to RVCC. Students must complete an Associate Degree at RVCC with a cumulative grade point average of 2.5 or higher. Admission to a specific USNH program is dependent upon meeting the program's individual requirements and space availability at the time of transfer. For more information contact the Office of Academic & Student Affairs.
