

HSV270R : Social Services Fieldwork

This course, coupled with its co-requisite, Social Services Seminar, provides the student with a comprehensive capstone experience. The student will apply knowledge, skills, and dispositions developed in previous course work. The student will be placed at a community program/agency. Under the guidance of the site supervisor, the student will engage in observations, educational activities, and direct services and other professional tasks. A minimum of 135 hours will be completed at the fieldwork site.

Credits 3

Prerequisites

HSV 110R, HSV 123R, HSV 125R, HSV 126R, HSV 271R (or corequisite)
