

Campus Security

Students need to report emergencies, crimes or acts of violation of rules, regulations or laws to the Vice President of Academic & Student Affairs. An incident report must be completed by the student regarding any emergency, crime or violation of law occurring on campus. Annually, through a campus safety and security brochure, the student handbook, and other college publications and resources, the Office of Academic & Student Affairs distributes information regarding crime prevention tips and existing counseling, mental health, and other services to students, both on campus and within the local community. Students will have access to campus buildings during regularly scheduled hours while classes are in session. Maintenance staff routinely inspects campus grounds and facilities for possible security concerns. Students and employees of the College are encouraged to be responsible for their security and the security of others. Students may report any campus maintenance/security concerns to the Vice President of Academic & Student Affairs.
