

Student Email

Every student at River Valley Community College is issued a student email address that will be used as the primary tool for communication and is where electronic correspondence will be sent. You are encouraged to check this email account daily. Computers are available for student use in the library in Claremont and Student Success Centers at all three locations.

To determine your email address, login to the Secure Area of the [Student Information System \(SIS\)](#). On the Home page, select Personal Information, then select View E-mail Addresses. Your College student email address will be displayed.

To log on to your email account, go to <http://www.ccsnh.edu/online-resources> and click on the link below the **Student Email and Office 365 Apps:** heading. Enter your EasyLogin username and password and click on Sign In.
