Enrollment certification for properly documented VA Beneficiary Students is electronically reported to the Veteran Administration in a two-part process.

The number of credits the beneficiary is enrolled in will be certified once the student notifies the School Certifying Official that they have registered.

Tuition and fees will then be reported after the add/drop period has passed.

Students must follow the program of study listed in their catalog as the School Certifying Official can only certify courses within that program.

VA funded students are responsible for immediately notifying the College's School Certifying Official at RVCCRegistrar@ccsnh.edu before taking any action affecting their enrollment status (such as course drops, adds, or non-passing grades). Failure to do so may result in a debt to the VA.

All students must contact the VA School Certifying Official before adding or changing a major. Additional information will be required by the VA before the College can certify a second major or a change in major.

Satisfactory progress toward completion, as specified in the Academic Standards section of this Catalog, must be maintained.

Veterans who utilize Chapter 30 or 1606 must verify their enrollment each month to receive payment for that month. Enrollment can be verified on the last calendar day of the month by using Web Automated Verification of Enrollment (WAVE) at <https://www.gibill.va.gov/wave> or by calling the VA toll free at 888.442.4551.
