

General Studies

Degree Type

Associate of Science

The Associates in Science Degree in General Studies provides a flexible option to meet the needs of the student. The General Studies program allows students to:

- Combine a certificate with additional coursework to obtain an Associate's degree when one is not available
- Complete an Associate's degree to transfer to programs not aligned with other degrees at RVCC
- Build a program that is not available at RVCC with existing courses

The General Studies program requires 60 credits: 30 credits in Degree Major courses, 10 credits in Open Electives and an additional 20 credits in Liberal Arts coursework.

NOTE

* GSTC 102R (Program Design Portfolio) may be required for students who complete the General Studies Associates Degree and must be taken within the first academic year.
