Academic Affairs

Faculty

– Refers to any person hired by CCSNH colleges to conduct educational activities.

Department Chairs

The Department Chairs oversee and supervise programs that are similar in nature. They are available to students to assist in problem solving and support academic advisors and program directors in the advising of students, as needed.

Program Directors/Coordinators

Each program has a Program Director/Coordinator who oversees the program curriculum and integrity. Program Directors/Coordinators may act as or assign advisors to students within a program. They are the first point of contact for a student when problem solving or seeking guidance regarding a program of study.

Registrar

The Registrar is responsible for keeping records of course registration, withdrawals, and grades. The Registrar keeps all official student transcripts updated and determines if a student has met graduation requirements.

Vice President of Academic & Student Affairs

The Vice President of Academic & Student Affairs has oversight of all academic and student functions, including course and program offerings, instructional delivery, academic planning and evaluation, admissions, registration, financial aid, and all student services and student life functions. Definitions

Academic Amnesty

A student who has previously attended River Valley Community College and is admitted at a later time may be eligible for Academic Amnesty, which provides for the following:

1. All grades taken during the student's previous time at the College will no longer be used to calculate the student's new cumulative GPA. However, grades C- and above taken during the student's previous time at the College will be used to meet course requirements (where appropriate), subject to the approval of the Vice President of Academic & Student Affairs.
2. Even though previous grades will not be used to calculate the new cumulative GPA, all previous grades will remain on the student's transcript.

In order to be eligible for Academic Amnesty, a student must meet all of the following conditions:

1. The student applies for Academic Amnesty before the start of their second semester after readmission;
2. The student has not taken any courses at River Valley Community College for a period of at least three (3) years from the last semester of attendance;
3. The student has never before received Academic Amnesty; and
4. The student achieved a cumulative GPA below 1.7 during previous attendance.

Academic Amnesty forms can be found at www.rivervalley.edu.

Academic Integrity

River Valley Community College believes that "the educated person functions as a responsible and ethical member of society" ([Education Philosophy](#)) and as such does not tolerate violations of academic integrity. Examples of violations of academic integrity include, but are not limited to cheating and plagiarism.

Cheating, which includes, but is not limited to: (1) use of any unauthorized assistance from other persons or technologies in taking quizzes, tests, or examinations or in the preparation and completion of class assignments; (2) dependence upon the aid of resources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;

(3) the acquisition, without permission, of tests or other academic material belonging to a member of the CCSNH colleges faculty, staff, or students; or (4) knowingly providing unauthorized assistance of any kind to another for the purpose of providing unfair advantage to the recipient in the completion of course assessments/ assignments (sometimes known as facilitation).

Plagiarism, which includes, but is not limited to, the use (intentional or unintentional), by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in providing term papers or other academic materials via direct sale, barter, or other means. Submitting parts of an assignment without citation or an entire assignment that you have previously submitted for the same class or another class are forms of self-plagiarism. Students repeating the same course should consult their instructor for their policies on reuse of work.

All incidents of academic dishonesty will be reported to the VPASA. Students who commit academic dishonesty may be subject to sanctions as described under the Community College System of New Hampshire Judicial Policies, II. Student Code of Conduct.

Copyright Policy

The Copyright law of the United States (Title 17 U.S. Code) governs the making of photocopies, electronic file sharing or distribution of copyrighted materials using the College's information technology system. Students are liable for any infringements of these laws. The NH Attorney General's office or the CCSNH Attorney's office will not defend students for copyright violation. For more information, see www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

Domicile – Change of Residency Status

A student's residency status determines the tuition rate assigned to their account. In-state tuition is available to those students who reside in New Hampshire. Those domiciled elsewhere shall be invoiced at either the New England Regional Student Program (NERSP) rate or the out-of-state rate.

Matriculated students who establish in-state residency (from an out-of-state or NERSP status) are responsible for notifying the Admissions Office of their residency change by completing and submitting a [Change of Residency Form](#) to Admissions, and producing an original driver's license or a non-driver identification card.

Note: River Valley Community College is not certified to accept International Students. For the full CCSNH System Policy see [740.01 Domicile and Tuition Rate](#).

Student Status

Active Status: A matriculated student who has not officially withdrawn from a program or the College is considered active status. Students remain in active status until they withdraw from the College or have not received a grade for a credit course for three consecutive semesters (including summer) at which time they will be officially withdrawn from the College.

Inactive Status: Students who officially withdraw from a program or the College are considered inactive. Students who have not received a grade for a credit course for three consecutive semesters will be removed from active status and will become inactive. If an inactive student chooses to return to the College, they must reapply in a program and follow the new program of study.

Matriculated Student: A student who applies, is officially accepted to the College in a program, and has been confirmed by returning a deposit to the College is said to be matriculated. The status remains until the student officially withdraws from the program or College, is suspended/dismissed for academic or disciplinary reasons, upon graduation, or has remained inactive for three consecutive semesters.

Non-Matriculated: A student who is enrolled in a course or courses but who has not officially been accepted into a College program is considered non-matriculated. A student who has taken individual courses and then decides to work for a degree should commit to a specific program and formally matriculate after proper counseling. It is recommended that students matriculate into a program prior to the satisfactory completion of 9 credits to ensure credits earned can be applied to the program of study.

Full-Time: A student is considered full-time if registered for at least 12 credits in any given semester or an appropriate fraction thereof: for example, if summer semester is 8 weeks instead of 16 weeks, a student would be considered full-time if they carried 6 credits.

Part-Time: A student who is registered for fewer than 6-8 credits (for financial aid awards), or who otherwise indicates less than full time status is considered part-time.

Registered Students: A student is considered registered for a course when a completed registration has been entered by the student into their SIS account. This confirms that the student has been determined to meet all pre & corequisites for the course. The student must also meet all College financial obligations.

Academic Courses

Adding a Course

Students may add a course up to and including the seventh (7th) calendar day of the 15-16 week semester, prorated for alternate semester lengths. Students are allowed to add classes with instructors' permission, and provided space is available. To add a course, visit the [Student Information System \(SIS\)](#). Some instructors will not allow students to add the course once the course has begun.

Auditing a Course

Under the Audit Policy students may enroll in courses that provide an opportunity to learn more about the challenges of college work, explore a discipline of interest, refresh prior learning, or supplement existing knowledge. Typically, a student attends lectures, seminars, and/or labs but does not complete graded assignments. When enrolled as an audit, the student will not be given a final grade nor will credit towards graduation be given for the course. The academic transcript will reflect an "AU" for the course. Students are responsible for the full tuition and fees for the course. Financial Aid will not cover costs for an audited course. Not all courses can be taken for audit, and entry into a course as an auditing student is by permission of the instructor. A student must complete a course registration as an audit during the first week of classes. Once admitted as an audit the student may not change to credit status after the designated add period; likewise, a student registered for credit may not change to audit status after the designated add period.

Cancellation of Classes/Two Hour Delay

The College will hold classes as usual unless there is a utility malfunction or severe weather conditions. The College does not follow the same weather cancellation or delay standards used by public K-12 school systems because we do not operate buses and our students are adults. We, therefore, align our closing and delay decisions with other local colleges, businesses and industry. We are sensitive to our students who are parents and the challenges created by public K-12 weather cancellations plus the broad geographic area we serve with its significantly different weather conditions. Students should use their own judgment as to whether it is safe for them to drive to classes. In the event that conditions are such that the Claremont campus or Academic Centers in Keene and Lebanon must close or cancel classes, announcements will be made by 6:00am for the day classes and 2:00pm for evening classes that begin at 5:00pm and after. Notifications will be made through **RVCC Alerts** (see College website for additional **RVCC Alerts** information), the College website (www.rivervalley.edu), and the radio and TV stations listed below:

WKVT 92.7FM	1490AM Brattleboro, VT
WTSL 92.3FM	1400AM Lebanon, NH
WHDQ 106.1FM	Claremont, NH

Course Attendance Policies

Class attendance is considered essential to academic success. Since there are constant learning opportunities between faculty members and students, and between students and other students within the learning environment, it is expected that students will attend each meeting of each course in which they are enrolled.

Specific attendance policies for each course are determined by the instructor and will be stated in writing in the course syllabus. These policies reflect the instructor's authority to determine under what terms students may be permitted to make up work missed through absence or tardiness.

Faculty report participation to the Registrar's Office after the last day to drop the course. Students who have not participated by that date will be dropped from the course and remain financially responsible for the cost of the course.

Course Deactivation for Non-Payment of Tuition

Students who fail to fulfill financial obligations two weeks before the first day of class will have their course registration voided and classes deleted. Students who wish to be enrolled for classes must re-register at the time payment is made. The College cannot guarantee registration in the desired course or section once a course registration has been voided.

Course Registration

Each semester students register for courses in consultation with their Academic Advisor. Students are accountable for registering for the appropriate course(s) according to their program of study and for making sure that any prerequisites (including Accuplacer scores and/or co-requisite courses) have been satisfied prior to registering for classes to prevent delay of course registration. Credit cannot be

awarded for a course unless a student is officially registered and has met all financial obligations. Any changes after registration must be made by the student in their [Student Information System \(SIS\)](#) account. Non-matriculated students may take courses on a space available basis. Students can verify their registration status on the [Student Information System \(SIS\)](#). Matriculated students registering for classes for the first time must meet with their academic advisor to set up an academic plan. This will ensure that students meet course pre-requisites and complete program requirements in a timely manner. Students can access their class schedule through the [Student Information System \(SIS\)](#).

Course Registration – 100% Online Courses

Online courses (100%) are offered by all seven college in the CCSNH. To enroll in 100% online course, students must specifically register to the college offering the course. For complete information about each course, the College hosting the course, registration information, visit www.ccsnh.edu. Students matriculated at River Valley Community College may register for online courses offered at Claremont, Keene or Lebanon following the Course Registration Policy.

Course Repeat Policy

Financial Aid will cover a repeated course only when it is repeated to replace an unacceptable grade as determined by a specific course and/or program of study.

When a student repeats a course at the same CCSNH institution, the grade achieved in the most recent attempt will be the grade used in the cGPA calculation. All previous grades will remain on the transcript but are not used in the cGPA calculation. Only those repeated courses completed at River Valley Community College will be used in the calculation of the cGPA; repeated courses completed at an institution outside of River Valley Community College and transferred into the student's college of matriculation will not be used in the calculation of the cGPA.

Third and subsequent attempts to repeat a course will require the approval of the Vice President of Academic and Student Affairs. A [Course Repeat Form](#) is required to repeat any courses.

Directed Study

Under certain circumstances a matriculated student may need to take a course during a semester when the course is not offered. A Directed Study allows a matriculated student to pursue the published learning objectives/outcomes for a course independently under the guidance of a qualified faculty member. A matriculated student must have a minimum cumulative grade point average of 2.0 to be eligible for a Directed Study. The student must demonstrate compelling reasons why the course could not be taken in a subsequent semester or was not taken in the semester when it was originally offered in the curriculum. Barring exceptional circumstances, a Directed Study will not be granted for a course currently being offered by the College. Directed Study Forms may be obtained from the student's advisor.

Dropping (or Withdrawing From) a Course

A 100% refund of tuition, less non-refundable fees, will be given to a student who officially drops from a full Fall or Spring semester course by the end of the fourteenth (14th) calendar day of the semester. Students in classes that meet in a format shorter than the traditional semester (15-16 weeks) will have seven (7) calendar days from the designated start of the alternative semester to

withdraw for a full refund. If the seventh (7th) or fourteenth (14th) calendar day falls on a weekend or holiday, the drop refund date will be the first business day following the weekend or holiday. Exception: Students in courses that meet for two weeks or fewer must drop by the end of the first day of the class in order to get a 100% refund. Students must drop the course in SIS to qualify for a refund. No tuition will be refunded if the student does not drop the course in SIS within the allotted refund time. Refunds are not prorated.

This policy applies to all semester length and alternative semester formats. Non-refundable fees are defined as advanced tuition, application fee, and orientation fee. All other fees are to be considered refundable. This includes, but is not limited to, the academic instruction fee and comprehensive student service fees.

All Federal Title IV Funds (i.e. Pell, SEOG, Perkins Loans, Stafford Loans) are prorated and returned according to the rules and regulations mandated by the US Department of Education.

In extenuating circumstances, the President (or designee) is authorized to offer alternative compensation in the form of a tuition credit or waiver to students on a case-by-case basis. Tuition credit on a student's account must be used within one calendar year from the date of authorization.

In accordance with federal regulations, refund balances for an amount less than \$1.00 will be applied to the student's next semester account. If after one semester the student does not register for courses, then the credit balance is forfeited.

Please download a tuition appeals request form if you would like to appeal your tuition: [Tuition Appeals Request](#).

NOTE: Tuition and fees are subject to change without notice. Applicants should check with the College for verification of current charges. All refunds require that the student drop the course in SIS within the allotted refund time.

Withdrawal Policy for Credit Courses

A Withdrawal in SIS must be completed prior to the 60% point of the course's term. If the Withdrawal is completed in SIS after the refund period and before the 60% point of the course, no refund will be given and a "W" will be reflected on the transcript which does not impact GPA.

Withdraw Pass/Withdraw Fail for Credit Courses

After withdraw deadline (60% point in a course) in order to withdraw, a [Withdraw Pass/Withdraw Fail Form](#) must be submitted through the college's website and a grade of Withdraw Pass (WP) or Withdraw Fail (WF) will be determined by the instructor. A WP grade does not impact GPA, a WF grade impacts GPA the same way an F would.

****Students are encouraged to note the specific dates for each course in which they are enrolled.****

Refund Policy for Non-Credit Courses

Students registered for workshops through the Office of Workforce Development must withdraw in writing at least three days prior to the first workshop session in order to receive a full refund of tuition and fees. Refunds are not prorated.

Refund Process

Refunds (paid by check or cash) take approximately 7-10 business days to process and are mailed directly from Nelnet Business Solutions out of Charlotte, North Carolina. Checks cannot be picked up in the Business Office. Students may opt to sign up for direct deposit via their SIS. For direct deposit refunds please allow 3-5 business days for processing. Credit card refunds are processed through the card information use for purchase. FACTS payment plans are the students' responsibility to cancel through the Business Office. Over payments on FACTS plans are sent to you at the end of the semester from the college.

Before you register, please read the following notice:

I understand that I must fulfill my financial obligation two weeks before the first day of the semester, or my registration will be voided and my classes deleted. I understand by registering for courses at RVCC, I am financially obligated for ALL costs related to the registered course(s). I agree that by registering for courses within the Community College System of New Hampshire (CCSNH), I am financially obligated for ALL costs related to the registered course(s). Upon a drop or withdrawal, I agree that I will be responsible for all charges as noted in the student catalog and handbook. I further understand that if I do not make payment in full, my account may be reported to the credit bureau and/or turned over to an outside collection agency. I also agree to pay for the fees of any collection agency, which may be based on a percentage of the debt up to a maximum of 35%, and all additional costs and expenses, including any protested check fees, court filing costs and reasonable attorney's fees, which will add significant costs to my account balance. (Effective 4-1-14)

Failed Courses

A failed course must be repeated at the College with a passing grade in order to receive credit towards graduation. The original grade "F" remains on the official transcript, but the most recent grade earned is used in the GPA/cGPA computation. Financial aid may be impacted by repeating courses. Third or subsequent attempts must be reviewed and approved by the Vice President of Academic & Student Affairs. A failed course is not eligible for a Credit by Exam or CLEP.

Independent Study

Independent Study is an opportunity for intensive investigation of a special skill, process, or topic, to be arranged on an individual basis between student and faculty. The intent of the Independent Study is to expand a student's learning experience beyond the normal program curriculum. Independent Study is not available to non-matriculated students. This credit-bearing opportunity is only available to matriculated students who wish to explore areas of a discipline not covered in the normal curriculum but related to their program. Matriculated students must have a minimum cumulative GPA of 2.0 to be eligible for an Independent Study. Typically undertaken for 1-2 credits, an Independent Study may not be done in lieu of any courses existing at RVCC. Speak with your Program Director or Advisor to get started!

Program: [Independent Study](#)

RVCC Alerts Emergency Notification System

RVCC ALERTS is River Valley Community College's emergency notification system that will help ensure rapid and reliable mass communication to students, faculty, and staff. The **RVCC ALERT** system is designed to communicate with cell phones (text and voice messages), landlines and email systems, should a weather closure/delay, emergency situation or crisis occur on the RVCC campus or academic center.

RVCC students are automatically registered to receive alerts via college email, but will need to register (opt-in) and provide their emergency contact information to receive alerts via phone and/or text messaging or personal email. To register, you need to access the Secure Area of the [Student Information System \(SIS\)](#). On the home page, select Personal Information, then select the RVCC Alerts icon.

If you have questions about RVCC Alerts, please contact the Campus Safety Office at (603) 542-7744, ext. 5420.

Check with your phone plan for potential charges associated with text messaging. Costs associated with text messaging are dependent on the phone plan you carry. Some phone plans apply nominal charges for text messages. If you choose to receive ALERTS by text message, be aware that RVCC will not reimburse for these messages.

Student Evaluations of Faculty and Course

Each semester students are asked to evaluate their courses/instructors as part of a process to maintain and improve a quality educational program. The Office of Academic & Student Affairs will distribute the official faculty/course evaluation form electronically to student college emails. Confidentiality of responses is maintained.

Academic Services

Advanced Standing Placement

Transfer of Credits

Students may be admitted to programs with advanced standing if they have taken appropriate college courses at another regionally accredited institution or System College and earned a "C" or higher. It is the student's responsibility to work with their advisor to submit a Transfer Evaluation Request Form, to furnish official transcripts and, if requested, course descriptions. Courses and grades will be evaluated by a Department Chair/Program Director and recommendations made to the Office of Academic & Student Affairs. The VPASA is responsible for the final determination of which credits transfer. Some course material will not transfer if greater than ten years old or if competencies covered are not equivalent to RVCC's curriculum. Students are advised to consult with their academic advisor prior to registering for courses at another institution to ensure credits will meet graduation requirements at RVCC.

Pre-Approved Transfer Process

Any current students seeking to take a course at another college and wishing to apply that course to their degree must have prior written approval from the Vice President of Academic & Student Affairs and their Department Chair or Program Director. Without this written approval prior to enrollment in the course, the College does not guarantee acceptance of this course as transfer credit. Grades of courses transferred are not included in the calculation of Grade Point Average or Cumulative Grade Point Average. Credits transferred from another institution will be added to the total credits accumulated for graduation. Students can work with their Advisor to submit paperwork for a Pre-Approved Transfer Request.

Important student responsibility: At the conclusion of a course, matriculated students must request that an official transcript be sent to their home campus (Attention: Admissions) so that a transfer of credit evaluation can be processed. Credits are not automatically transferred. Students should follow the college policy for requesting transfer of credits to other institutions. It is highly recommended that non-matriculated students interested in admission apply for admission to their program of choice as soon as possible. Students who complete courses as a non-matriculated student may find that not all credits can be applied towards a specific degree or certificate.

Consortium Agreements - Pre-Approval of Courses for Transfer

A Consortium Agreement allows a student who is accepted into an eligible program and is receiving financial aid at one CCSNH College (Home) to use their financial aid to pay for courses at another CCSNH College (Host). The agreement is a formal contract between the Home and Host Colleges. A student who wishes to take a course at a college other than the Home College is required to complete a Consortium Agreement with the Home College. Courses taken at the Host College must be pre-approved for transfer to the student's program. [Consortium Agreements](#) are available online or in the Financial Aid Office, and must be fully completed, including course numbers and names for both transfer and host institutions. Consortium agreements must first be approved by the Program Director, then submitted to the Vice President of Academic & Student Affairs.

The approved document will be submitted to the Financial Aid office for processing. During the summer when Program Directors are not on campus, the student may submit the form directly to the VPASA office. However, students are encouraged to register for courses well in advance when program directors are on campus.

Credit by Examination (CBE)

Students may test out of certain courses through the Credit by Examination (CBE) process.

In order to be considered for a CBE, the student must meet the following criteria:

- The student must be matriculated in a program at RVCC.
- The student can demonstrate that by study, training or experience outside RVCC has acquired skill or knowledge equivalent to that acquired by students enrolled in a College course. Such skill, knowledge or experience shall be in the area of the course concerned; and determined to be relevant by the Vice President of Academic and Student Affairs or other authorized personnel, based on evidence that the background prerequisites justify allowing the student to take the exam. Background prerequisites shall include the student's academic or employment record or both; and / or faculty recommendations.
- The student must have a cGPA of 2.0 or higher.
- Request must be for a regular course listed in the catalog.

- The student has not previously attempted a CBE for this course, be enrolled in the course, previously received a grade for the course at any CCSNH school, has been administratively withdrawn from the course, has dropped the course after the two-week drop/add period or has withdrawn from the course.

The student shall apply to the Vice President of Academic and Student Affairs or authorized person of the College by completing the appropriate RVCC CBE Request Form. Upon approval, the student will pay a non-refundable fee of \$25 per credit to the Business Office. The student must complete the CBE within one month of approval.

Students must earn a C or higher in the exam. If successful, the appropriate credits earned are applied to the student's program. Credit will not be given for grades below "C". A student receiving a grade below a "C" is ineligible for another CBE in that course.

College-Level Examination (CLEP)

Students may test out of certain courses through the College-Level Examination Program (CLEP) administered by the [College Board](#).

In order for a CLEP to be considered, the student must meet the following criteria:

- The student must be matriculated in a program at RVCC.
- The student can demonstrate that (in addition to achieving the necessary score on the exam), by study, training or experience outside RVCC they have acquired skill or knowledge equivalent to that acquired by students enrolled in a College course. Such skill, knowledge, or experience shall be in the area of the course concerned; and determined to be relevant by the Vice President of Academic and Student Affairs or other authorized personnel, based on evidence that the background prerequisites justify allowing the student to take the exam. Background prerequisites shall include the student's academic or employment record or both; and / or faculty recommendations.
- The student must have a cGPA of 2.0 or higher.
- Request must be for a regular course listed in the catalog or an elective necessary for the student's program.
- The student has not previously attempted this course, be enrolled in the course, previously received a grade for the course at any CCSNH school, has been administratively withdrawn from the course, has dropped the course after the two-week drop/add period or has withdrawn from the course.

The student shall apply to the Vice President of Academic and Student Affairs or authorized person of the College by completing the appropriate Transfer Request Form.

Upon successful completion of the CLEP the student shall request the score be sent directly to the College Admissions Office from the College Board. A passing score for CLEP is 50 or above, depending upon the course. If successful, the appropriate credits earned are applied to the student's program.

Students should consult with Program Director, Department Chairperson or Vice President of Academic and Student Affairs before taking CLEP exams to determine which CLEP exams with appropriate scores and documentation can be used to fulfill program requirements (clep.collegeboard.org).

College Board Advanced Placement Examination Credit

The College recognizes the College Board Advanced Placement Examination Program as a means of evaluating a student's eligibility for advanced placement and credit transfer. AP credits are reviewed by the Program Director and, at their discretion, are submitted to the Vice President of Academic and Student Affairs. Students who have participated in the AP Program and who have been admitted to the College should have official AP grade reports forwarded from the College Board directly to the College Admissions Office. More information can be found at College Board, Advanced Placement Examinations, CN6671, Princeton, NJ 08541-6671, telephone number (609) 771-7300 (www.collegeboard.org). The minimum score to receive credit varies from three (3) to five (5). No credit is awarded on any AP exam score of less than three (3).

Articulation Agreements with 4-Year Universities and Colleges

River Valley Community College has several Articulation Agreements, also known as Transfer Agreements, with Colleges and Universities in the New England area. Some colleges include University of New Hampshire, Plymouth State University, Franklin Pierce University, Keene State College, Southern New Hampshire University, Rivier University and Granite State College. Students can ask their academic advisor for additional information.

Developmental Courses

Students who do not meet established pre-requisites will be required to take developmental courses for placement into college level courses. While these courses do not count toward graduation requirements in any RVCC program, they are required to meet prerequisites for the college level courses in subjects such as English, math, and science. Credits from these courses will be included in the calculation for all three components of the Financial Aid Satisfactory Academic Progress Review. The three components are Cumulative GPA, Qualitative Components, and Quantitative Components. Students are only eligible for federal financial aid for up to 24 hours/credits for this type of coursework.

Dual Admission 2+2

Students interested in opting into the dual admission program between the Community College System of NH and the University System of NH (USNH) must sign the dual admission contract at the time of admission to RVCC. Students must complete an Associate Degree at RVCC with a cumulative grade point average of 2.5 or higher. Admission to a specific USNH program is dependent upon meeting the program's individual requirements and space availability at the time of transfer. For more information contact the Office of Academic & Student Affairs.

Electronic Resources

Student Email System

Every student at River Valley Community College is issued a student email address that will be used as the primary tool for communication and is where electronic correspondence will be sent. Transfer Advising

RVCC students often decide to continue their education after graduation. Any student who desires information about bachelor degree granting colleges can contact an Academic Advisor or Program Director about their options. Representatives from New Hampshire and New England Colleges visit campus each semester to share information about options for transfer students from RVCC. New Hampshire Transfer, www.nhtransfer.org is a program that encourages community college students to continue their education with pathways to easily transfer credits into programs of their choice.

Grading

Academic Honors

Academic honors are determined each semester (including summer when full time is 6 credits for the purposes of determining academic honors). Students with an incomplete grade are unable to receive academic honors until the incomplete grade is resolved.

President's List

A full-time, matriculated student in good standing with a Grade Point Average of at least 3.70 is entitled to honors on the President's List.

Vice President's List

A full-time, matriculated student in good standing earning a Grade Point Average of 3.0 to 3.69 is entitled to honors on the Vice President's List.

Academic Standards

Students falling below the following standards will be designated as not meeting satisfactory academic progress. Failure to meet satisfactory progress will result in either Academic Probation or Academic Suspension.

Failure to meet satisfactory progress will result in either Academic Probation or Academic Suspension. Calculation of Cumulative Grade Point Average (cGPA) will be based on all courses taken at the institution, including developmental courses. Students with a cGPA less than 2.0 will receive Academic Probation. Students with a cGPA less than 2.0 (Academic Probation) for three consecutive semesters will be placed on Academic Suspension.

Academic Probation Definition: A warning which indicates the student may not be on track to graduate because of poor academic performance.

Academic Suspension Definition: A hold on a student taking further courses as a matriculated student. A student may continue to take courses as a non-matriculated student.

The student will receive written notification of Academic Suspension by electronic mail to their RVCC email account. A student may appeal suspension by following the process outlined in their notification letter. A suspended student may take courses at River Valley Community College as a non-matriculated student. Before re-applying for matriculation into a program of study, the student must successfully complete two three-credit courses with a "C" or better.

Financial aid may be in jeopardy if a student fails to achieve Satisfactory Academic Progress as defined by Federal Regulations.

Suspended students may continue to take courses at RVCC as a non-matriculated student. Before reapplying for matriculation into a program, the student must show evidence of having successfully completed two three-credit courses with a "C" or better. Financial aid may be in jeopardy if a student fails to achieve satisfactory academic progress as defined in this Academic Standards section.

Once un-matriculated a student will not be able to receive Financial Aid and may choose to drop their courses in SIS during the drop period of the semester academic suspension is initiated.

College Dismissal Definition: Students dismissed from the College are prevented from taking classes or applying to programs. College dismissal may result from academic or other breaches of the Student Code of Conduct.

Academic Warning: A student who is failing or in danger of failing a course may at any time be given an academic warning by the instructor.

Academic Appeal Procedure

A student may appeal any decision regarding their academic status by filing a written appeal with the Vice President of Academic & Student Affairs within 7 work days of the date indicated on their emailed notification letter. The appeal must include student's name, address, program and the basis for the student's request and will be forwarded to the chair of the Academic Standing Committee for review.

The student will have an opportunity to present their case to the Academic Standing Committee, if desired. A written recommendation of the committee will be sent to the Vice President of Academic & Student Affairs who will send the student the final decision within 48 hours (excluding weekends and holidays) of the meeting of the Academic Standing Committee.

Academic Honors

Academic honors are determined each semester (including summer when full time is 6 credits for the purposes of determining academic honors). Students with an incomplete grade are unable to receive academic honors until the incomplete grade is resolved.

President's List

A full-time, matriculated student in good standing with a Grade Point Average of at least 3.70 is entitled to honors on the President's List.

Vice President's List

A full-time, matriculated student in good standing earning a Grade Point Average of 3.0 to 3.69 is entitled to honors on the Vice President's List.

Graduation Honors - College CGPA

CGPA 3.20 - 3.59 = Cum Laude

CGPA 3.60 - 3.89 = Magna Cum Laude

CGPA 3.90 - 4.00 = Summa Cum Laude

Graduates earning a CGPA of 3.50 or higher are entitled to wear a gold tassel. Students who have not completed all graduation requirements at the time of graduation are not eligible for graduation honors, and will not be awarded the gold tassel.

Academic Standing Committee

The River Valley Community College Academic Standing Committee is charged to review the appeals of the academic status of matriculated students. The Committee reviews all appeals and may

recommend any of the following actions to the Vice President of Academic & Student Affairs:

1. academic suspension
2. academic probation
3. academic warning
4. letter of encouragement
5. removal from academic suspension or academic probation

Additional Associate Degrees

Students may earn additional associate degrees either by concurrent completion of the requirements of the several degrees or by subsequent study after the first degree is received. The requirements for earning additional degrees are as follows:

1. Complete all requirements of each program of study, including general education requirements not in common with the additional program(s), and
2. Earn a minimum of fifteen (15) additional credits at the college, beyond those required for the first and subsequent degrees, excluding Credit by Examination, Credit for Experiential Learning, College Level Examination Program (CLEP), and Transfer Credit.

See full CCSNH Board Policy [620.05 Additional Associate Degrees](#).

Calculation of Grade Point Average (GPA)

Semester and cumulative grade point averages are calculated for all students. The GPA is calculated by multiplying quality points by credit hours for each course, totaling these products, and dividing the sum by the total credit hours attempted in a given semester. Example: Grade Points x Credit Hours = Point Credits

Example	Grade Points	x	Credit Hours	=	Point Credits
Course 1	A 4.0	x	4	=	16.0
Course 2	B+ 3.3	x	3	=	9.9
Course 3	C+ 2.3	x	3	=	6.9
Course 4	C- 1.7	x	3	=	5.1
Course 5	D 1.0	x	3	=	3.0
Total			16		40.9

Total point credits, 40.9, divided by total credit hours, 16, equals the Grade Point Average, 2.55.

Cumulative Grade Point Average (CGPA)

The Cumulative Grade Point Average (cGPA) takes into account all course work taken at the Claremont campus and the Centers in Keene and Lebanon. The cGPA is obtained in the same way as the GPA, except that the calculations are based on all courses that the student has taken. When a student repeats a course, only the most recent grade earned is used in the cGPA computation. The original grade, however, remains on the transcript along with the grade of the repeated course.

Financial Aid - Satisfactory Progress Regulations

Students are expected to make Satisfactory Academic Progress toward the achievement of their educational goals in order to receive financial aid. Standards for this progress are both qualitative and quantitative, and are reflected in a student's cumulative grade point average (CGPA) and in his/her "incremental" progress in terms of completing a minimum amount of work at stated intervals.

Qualitative Standard

Cumulative GPA Component - A student must maintain a minimum cumulative grade point average as noted below to be considered as making Satisfactory Academic Progress.

Total Credits Earned Towards Program	Minimum Cumulative Grade Point Average Required for Program	
	Certificate/ Diploma	Associate Degree
0-13	1.5	1.5
14-27	2.0	1.7
28-40		1.8
40+		2.0

Quantitative Standard

A student must successfully complete more than two-thirds (66.66%) of the total credits he/she attempts throughout his/her academic career at the College. All attempted credits resulting in either an academic grade or administrative transcript notation will be included in the quantitative calculation. A student may receive student federal aid for any attempted credits towards his or her program of study as long as those credits do not exceed 150% of the published length of the student's program of study. For example, a student enrolled in an eligible 24 credit certificate program can receive financial aid for up to 36 credits attempted. Likewise, a student enrolled in a program of study that required 64 credits to earn the degree can receive student federal aid for a maximum of 96 credits attempted.

Warning Semester

The qualitative and quantitative components of the Satisfactory Academic Progress (SAP) policy will be reviewed at the end of each semester within the regular academic year of the student's program of study. Students who meet SAP standards will be coded as making satisfactory academic progress and will retain eligibility for Student Federal Aid for the following semester.

Students who do not meet SAP standards will be placed on SAP probation for one semester. Students placed on SAP probation will retain their eligibility for Student Federal Aid for that upcoming semester. At the end of the probationary period, SAP standards will be reviewed. If the student meets SAP standards, he/she will once again be coded as making satisfactory academic progress and will retain eligibility for Student Federal Aid (SFA) for the next semester. If the student is still unable to meet SAP standards, he/she will no longer be eligible to receive SFA at the institution until such time that he/she is able to meet the standards of SAP.

Grade Appeal Process

If a student believes they have been assigned an inaccurate or unfair grade, they may submit a formal appeal through the following process. Any appeal must be initiated by the student with the instructor before the conclusion of the next semester (including summer). Students should be advised that in most instances a grade may be changed only by the instructor. Only in the case of obvious computational error or blatant abuse of the grading prerogative, can the Vice President of Academic & Student Affairs, the only other individual on campus empowered to change a grade, alter a student's grade.

1. Meet with the instructor: The student shall contact the faculty member and schedule a meeting to discuss the grade appeal and attempt to resolve the conflict. The faculty member and student shall meet within the next five (5) work days.*
2. Meet with the Program Director/Department Chair: If the issue was not resolved in Step 1 above, the student has three (3) work days from the date of the faculty member's decision to file a written appeal with the faculty member's Program or Department Chair, or with the Vice President of Academic & Student Affairs if the faculty member is also the Department Head or Program Director. Within three (3) working days, the Department Chair, or VPASA, will mediate the dispute either through discussion with the instructor, or with the student in the company of the faculty member. If no resolution is reached, proceed to Step 3 below.
3. File an appeal with the Vice President of Academic & Student Affairs (VPASA): If the issue is not resolved in Step 2 above, the student has three (3) working days to file a written appeal with the VPASA. The letter of appeal must include student's name, contact information, course name and number, instructor's name and rationale for the appeal. The VPASA will meet with all parties concerned within the next three (3) work days to attempt to resolve the dispute. The VPASA will have three (3) work days from the last meeting to render a decision on the grade appeal. The decision of the VPASA is final.

* NOTE: During the summer, when instructors are not on campus, students may begin the grade appeal process with the Office of Academic & Student Affairs. Every attempt will be made to have the faculty member contacted and meet with the student within the specified time. On occasion, however, these times may need to be adjusted.

Grade Reports

Grades and unofficial transcript can be accessed by current students directly through the [Student Information System \(SIS\)](#). [Transcripts](#) can be ordered for official record requests. All financial obligations or other holds must be resolved before requesting official transcripts.

Grading System

Students earn grades which are assigned by individual faculty members on the basis of an objective evaluation of students' academic achievement. To successfully complete a certificate or an Associate degree at the College, students must earn a minimum Cumulative Grade Point Average (GPA) of 2.00 and meet all program requirements.

The reporting of student achievement utilizes the following grades:

Grade	Quality Points	Grade	Quality Points
A	4.0	C	2.0
A-	3.7	C-	1.7
B+	3.3	D+	1.3

B	3.0	D	1.0
B-	2.7	D-	0.7
C+	2.3	F	0.0

Auxiliary Grades

W: (Withdrawal) Student initiated withdrawal from a course at any time prior to completion of the drop/withdrawal deadline (60% of the course) and after the drop refund period. Is not calculated in GPA. Can be initiated by the instructor if the student, because of extenuating circumstances, is unable to initiate the process (e.g., catastrophic illness or injury, job transfer to another state).

WP: (Withdrawal Passing) Student initiated withdrawal from a course after the drop/withdrawal deadline (60%) of the course; student has a passing grade at time of drop, as determined by the instructor. Is not calculated in GPA. Can be initiated by the instructor if the student, because of extenuating circumstances, is unable to initiate the process (e.g., catastrophic illness or injury, job transfer to another state).

WF: (Withdrawal Failing) Student initiated withdrawal from a course after the drop/withdrawal deadline (60%) of the course but before the course has ended; student has a failing grade at time of drop/withdrawal, as determined by the instructor. Calculates in GPA as an "F."

AF: (Administrative Failure) Instructor or administrator initiated withdrawal at any time for reasons other than poor grade performance – e.g., failure to meet attendance requirements, as published in the instructor's syllabus, violation of the Student Code of Conduct, disruptive behavior, etc. The grade may also be issued if a student registered in a clinic, practicum, internship or lab is deemed unsafe or performing in an unsatisfactory manner as determined by an evaluation by a faculty member/agency supervisor in accordance with department criteria and procedure, and for students who stop attending class. Calculated in GPA as an "F."

AU: (Audit) A course taken as an audit does not earn credit and cannot be used to meet graduation requirements. Admission by permission of the instructor. Full tuition and fees are charged to audit a course. **Not all courses are available for audit.** See the [Audit](#) section for full audit policy.

I: (Incomplete grade) Indicates that a student has not completed a major course assignment due to extraordinary circumstances. It is not used to give an extension of time for a student delinquent in meeting course responsibilities. The "I" grade is not calculated into the GPA. However, all work must be completed by the end of the third week of the subsequent semester or the grade defaults to an "F".

P: Used in Pass/Fail courses. Pass (not calculated into GPA)

PP: Used in Pass/Fail courses. Provisional Pass; warning (not calculated into GPA)

NP: Used in Pass/Fail courses. No Pass; unsatisfactory (not calculated into GPA)

CS: (Continuing Study) Allows student to re-register for developmental course if competencies have not been met by end of the course. Intended for students who have demonstrated progress and a commitment to succeeding in the course but who need more time to achieve competencies. Does not affect GPA.

R: Repeat

T: Transfer

Graduation Honors - College cGPA

cGPA 3.20 - 3.59 = Cum Laude
cGPA 3.60 - 3.89 = Magna Cum Laude
cGPA 3.90 - 4.00 = Summa Cum Laude

Graduates earning a cGPA of 3.50 or higher are entitled to wear a gold tassel at graduation. Students who have not completed all graduation requirements at the time of graduation are not eligible for graduation honors, and will not be awarded the gold tassel.

Graduation & Intent to Graduate Deadline

Commencement is held once a year in May. Degree and certificate completion can be posted to student's academic record in December, May, or August. Students who expect to complete requirements for a degree or certificate **must complete the INTENT TO GRADUATE form no later than the deadline noted** on the form. Failure to file an INTENT TO GRADUATE form by the deadline may mean the student cannot participate in the graduation exercises and will result in a delay of the diploma delivery.

There is no extra fee for graduation.

It is expected that students filing an Intent to Graduate form will be completing all program requirements by the following May. Students should review their academic history online through the [Student Information System](#) to ensure that they have or will have met the program requirements for graduation. It is strongly encouraged that students expecting to graduate in May meet with their Program Director early in the fall semester to review the academic record prior to filing the Intent to Graduate form.

If a student would like to participate in the May graduation ceremony, but won't finish the final six credits of their program until August, they can file an [Exception to Participate in Graduation Request Form](#) for VPASA approval. Before submitting the request, the student shall consult with their advisor and register for any remaining courses in SIS.

Graduation Requirements

To graduate, students must complete all courses and attain a cumulative Grade Point Average (cGPA) of at least 2.0 within their program. Specific requirements for all degree and certificate programs are available in the catalog. Credits earned in developmental courses are not counted toward graduation requirements. Matriculated students must earn a minimum number of academic credits at the College as follows:

1. Degree students must earn 15 credits, of which 8 credits must be in advanced (200-level) courses in the student's major.
2. Certificate students must earn 6 credits or 25% of the credits, whichever is higher.

Participation in Graduation Exercises

The following students are eligible to participate in graduation exercises:

1. Students who have filed an [Intent to Graduate form](#) before the deadline; and

2. Students who have completed
 - all requirements by the end of Spring Semester. OR
 - all but six (6) semester hours of required credits for the degree or certificate by the end of Spring Semester. These final credits must be earned before the end of the subsequent summer semester. Students in this category must request permission by completing a [Exception to Participate in Graduation Request Form](#) and submitting it to the Vice President of Academic & Student Affairs before March 1st showing how the remaining credits will be earned. The VPASA must approve the plan submitted and will respond to the student via college email. Students who have credits remaining upon graduation are not eligible for graduation honors.
 - Exceptions to the above may be made by the President. However, no exceptions will be given after April 1st.

No credentials are issued to the students until they have completed all requirements for the degree or certificate. Students with outstanding balances or overdue library materials will not receive the credentials or be able to receive transcripts.

Policy on Access to Grades and Transcripts

In accordance with FERPA regulations, if a student has a hold on an account because of outstanding financial obligations they will be able to view the final grades at the conclusion of the semester in question through [Student Information System \(SIS\)](#). However the student will be unable to view their entire transcript on SIS, but may view the entire transcript in the Registrar's Office on request. No official transcript will be released until all financial obligations are resolved.

Repeated Courses

Financial Aid will cover a repeated course only when it is repeated to replace an unacceptable grade as determined by a specific course and/or program of study.

When a student repeats a course at the same CCSNH institution, the grade achieved in the most recent attempt will be the grade used in the cGPA calculation. All previous grades will remain on the transcript but are not used in the cGPA calculation. Only those repeated courses completed at River Valley Community College will be used in the calculation of the cGPA; repeated courses completed at an institution outside of River Valley Community College and transferred into the student's college of matriculation will not be used in the calculation of the cGPA.

Third and subsequent attempts to repeat a course will require the approval of the Vice President of Academic and Student Affairs. A [Course Repeat Form](#) is required to repeat any courses.

Student Rights – Grievance Procedures

Any student who feels that their rights have been violated may file a grievance following the procedure below. In the case of a grievance alleging discrimination based on race, color, religion, national or ethnic origin, age, sex, sexual orientation, marital status, disability, gender identify or expression, genetic information and veteran status, as defined under applicable law, the student may also report the conduct to the College's Affirmative Action/Equity Officer and/or Title IX Coordinator. In the case of a grievance alleging discrimination, the college may also initiate an investigation and take appropriate steps including, but not limited to, referring the matter to the appropriate College Official for disciplinary action.

1. Prior to filing a grievance, the student is encouraged to meet with the individual who has allegedly violated his or her rights, e.g., instructor, staff member, or student, to resolve the issue informally.
2. If the issue cannot be resolved by pursuing the process in Step 1, or the individual elects not to resolve the matter informally as prescribed in Step 1, a formal grievance in writing must be submitted to:
 - The Vice President of Academic & Student Affairs for grievances related to the instructional process (see college catalog or student handbook for separate process for [Grade Change/Grade Appeal](#)), or for grievances not related to the instructional process.

The grievance must be submitted within two (2) weeks of the date the grievance knew or reasonably should have known, of the alleged violation. The grievance shall specify the right claimed to have been violated and state briefly the underlying facts.

3. The Vice President of Academic & Student Affairs, or designee, will meet with the individual alleged to have violated the student's rights. The VPASA, or designee, may attempt to resolve the issue informally at this stage. If resolution is not possible and the VPASA or designee determines that the grievance alleges facts which if true constitute a violation of the student's rights and has been timely filed, the matter will be forwarded to the Judicial Advisor who convene the Judicial Committee within two (2) weeks of the receipt of the formal grievance. If the VPASA or designee determines that the grievance does not state a violation of the student's rights or is untimely, the VPASA will provide a written explanation to the student and the matter will be considered resolved at that point.

Transcripts

For student who attended after 1993, electronic (or print) transcripts are available through the National Student Clearinghouse. [Click here to place an order.](#)

For students who attended prior to 1993, print transcripts are available. Please fill out this [web form](#) to place your request.

There is no cost associated with placing an order. Requests will be canceled if there is a hold on the student's account. If you have a financial hold on your account, please resolve the hold and request your transcript again.

For unofficial transcripts, current students can login to their [Student Information System \(SIS\)](#) account. Unofficial transcripts are not available for students without an active [SIS](#) account and they are advised to request a transcript as instructed above.

Please email RVCCRegistrar@ccsnh.edu with any questions.

Academic Program Policies

Absence due to Religious Observation

River Valley Community College makes a reasonable effort to support students seeking an accommodation for religious observance. Students who need accommodation for religious observance should speak with their faculty in order to minimize conflict with classes and assignments.

Consistent with the attendance policy for each program, class absences will be addressed on a case-by-case basis. Students are responsible for making up any work missed as the result of an

accommodation. As soon as is reasonably possible, each student has the responsibility to communicate with their course instructors about religious observances that are likely to conflict directly with academic coursework or clinical assignments.

Students seeking religious accommodation should be prepared to discuss the following with their faculty:

- Nature of religious observance
- Date(s) and times
- Specific accommodation needed to support observance
- Timeframe to complete missed work
- Any special considerations

Students who need support or would like to discuss how to communicate with faculty may contact the Office of Academic & Student Affairs.

Addition of New Program

In some cases, students may decide to add another program of study while attending RVCC. It is important for students to discuss this decision with their current Academic Advisor/Program Director as well as meet with the Program Director of the new program. Meeting the requirements of more than one program at the same time can be very challenging and the student is reminded that they may be working with more than one academic advisor. Students are not permitted to be enrolled in more than two degree programs at the same time. Students wishing to add a new program must complete a [Program Change or Add Form](#). The addition of a new program will become effective on the first day of the new semester in which the student is currently enrolled.

Change of Address/Change of Name

Students changing their living quarters, permanent address, telephone number, e-mail address, preferred name, or legal name must notify the College as soon as possible. A [Personal Information Change Form](#) should be completed as soon as possible in order to ensure that RVCC has accurate information on file.

Change of Program

Students wishing to change from one program to another must meet with their current Academic Advisor/Program Director as well as meet with the Program Director of the new program. Students receiving financial aid must also talk with the Financial Aid Director. Students using VA Benefits must also talk with the School Certifying Official. Students will be required to meet the graduation requirements of the new program and in some cases it may extend the length of time needed to complete program requirements prior to graduation.

Matriculated students wishing to add or change a program must complete a [Program Change or Add Form](#).

College Withdrawal

Any student who finds it necessary to withdraw from the College should first notify their faculty advisor and then complete the [College Withdrawal Form](#). Failure to officially withdraw or return

College property may result in financial holds, course failures and academic suspension. The student is financially responsible for all tuition and fees if the drop date has passed for any enrolled courses. Any official withdrawal from the College after the last date to withdraw from a full semester course (60%) has passed shall be considered effective the first day of the following semester for academic reasons, and the student will be held academically accountable for the entire semester. If [Withdraw Pass/Fails Forms](#) aren't submitted for each course, a final grade will be issued as though the student had completed the entire semester. A note will be added to the student's transcript indicating College withdrawal. Students who have officially withdrawn from the College may apply for readmission.

Criminal Background Check Policy

A criminal background check may be required prior to Work Based Learning (WBL) experiences. Failure to undergo a criminal background check prior to a WBL experience may result the inability to progress in a program. Should a clinical, fieldwork or practicum agency refuse to place a student based on the outcome of the background check, the college/program shall have no responsibility to arrange an alternate clinical/fieldwork or practicum placement. Students may appeal the decision and will be given the opportunity to present information to dispute the background check. Students must agree that all results will be available to the program and the sites associated with the program. The criminal background check may be required several times during a two year program and may be required for employment and/or licensure and/or certification. Cost for the criminal background check will be the responsibility of the student.

RVCC currently works with [Certified Background Check](#) to help students in this process. Students should work with their Program Directors for assistance. Some agencies require both a state and federal background check.

Medical Leave Policy - Michelle's Law

A matriculated student who, due to a serious medical condition that requires extended in- patient treatment in a medical facility and/or ongoing outpatient medical treatment, becomes unable to complete his/her academic requirements and/or who becomes unable to meet the program's technical standards and/or the requirements of the Student Code of Conduct, may apply for a formal Medical Leave of Absence for up to two consecutive semesters. Students considering a Medical Leave of Absence should be aware that granting of such leave does not relieve a student from financial responsibility to the College. A student who is seeking a Medical Leave of Absence who is also a financial aid recipient should contact the Financial Aid Office to discuss the leave and any potential implications for changes in financial aid eligibility. Students who have concerns about continuing health insurance coverage may also wish to consult <http://www.michelleslaw.com> for important information. Students requesting Medical Leave of Absence must:

1. Provide a letter to the Vice President of Academic & Student Affairs identifying their program of study, the medical reason for the request, the proposed date on which the leave would begin, and the proposed date of readmission, and;
2. Provide the Vice President of Academic & Student Affairs documentation of the medical condition from a licensed health care professional directly involved in the treatment of the student's particular condition that is sufficiently comprehensive to facilitate the decision-making process.

The Vice President of Academic & Student Affairs (or designee) will make a determination regarding the appropriateness of the leave request and notify the student in writing whether the request for Medical Leave of Absence was granted and what conditions for readmission may apply. Students whose Medical Leave requests are granted **must complete a course drop/withdrawal form on SIS for each course for current semester**, and will not be required to re-apply for admission at the end of the leave period provided that all conditions for readmission have been met.

Conditions for readmission may include, but are not limited to, submission of documentation from a licensed health care professional directly involved in the treatment of the student's particular condition that is sufficiently comprehensive to provide reasonable assurance that the returning student will be able to meet all college and program academic, technical, and behavioral requirements. Other conditions for readmission may include a required in-person meeting with the Vice President of Academic & Student Affairs and/ or the student's program Department Chair; compliance with any new admission criteria implemented in the student's absence; following a new curriculum plan that may have been implemented in the student's absence; and/or repeating courses and/or clinical experiences to ensure clinical competence following an extended absence.

Students who choose to seek Medical Leave under the provisions of this policy should be aware that information they voluntarily disclose during the application and readmission processes will be handled under the confidentiality guidelines of the Family Educational Rights and Privacy Act (FERPA) and disclosed only to those persons with a direct academic need to know.

Pregnancy and Parenting Accommodations

River Valley Community College is committed to creating and maintaining a community where all individuals enjoy freedom from discrimination, including discrimination on the basis of sex, as mandated by Title IX of the Education Amendments of 1972. Sex discrimination, which can include discrimination based on pregnancy, marital status, or parental status, is prohibited and illegal in admissions, educational programs, and activities. The following are the procedures for ensuring the protection and equal treatment of pregnant persons, individuals with pregnancy-related conditions, and new parents.

Definitions:

"Medical necessity" is a determination made by a health care provider of a student's choosing.

"Pregnancy and pregnancy-related conditions" include, but are not limited to pregnancy, childbirth, false pregnancy, termination of pregnancy, conditions arising in connection with pregnancy, and recovery from any of these conditions.

"Pregnancy discrimination" includes treating a student affected by pregnancy or a pregnancy related condition less favorably than similar individuals not so affected, and includes a failure to provide legally mandated leave or accommodations.

"Pregnant student/Birth parent" refers to the student who is or was pregnant. Although the pronoun "she" and "her" are used herein, this procedure and its pregnancy-related protections apply to all pregnant persons regardless of gender identity or expression.

"Reasonable accommodations" for the purposes of this policy are changes in the academic environment or typical operations that enable a pregnant student or student with a pregnancy related condition to continue to pursue her studies and enjoy equal benefits of the College.

Non-discrimination and reasonable accommodation of students affected by pregnancy, childbirth, or related conditions:

RVCC and its faculty, staff, and other employees shall not require a student to limit her didactic studies due to pregnancy or pregnancy-related conditions. The benefits and services provided to students affected by pregnancy shall be no less than those provided to students with temporary medical conditions. Students with pregnancy-related disabilities, like any other student with a disability, are entitled to reasonable accommodation so they will not be disadvantaged in their didactic courses of study or research, and may seek assistance from the Accessibility Coordinator. Students attending a work-based learning experience may be subject to additional program policies regarding pregnancy and should consult their program handbook and speak with

their Program Director. Where the Accessibility Coordinator requires students to identify their disabilities and request accommodations by a fixed date in the term, deadline exceptions may be granted in the case of disabilities arising as a result of pregnancy or pregnancy-related conditions.

Reasonable accommodations may include, but are not limited to:

Accommodations requested by the pregnant student to protect the health and safety of the student and/or her pregnancy (such as allowing the student to maintain a safe distance from hazardous substances)

Modifications to the physical environment (such as accessible seating or mobility support)

Extending deadlines and/or allowing the student to make up tests or assignments missed for pregnancy-related absences

Providing remote learning options

Excusing medically-necessary absences

Granting leave

Work Based Learning (WBL)

Work based learning (WBL) is an educational opportunity for students to apply learning to the professional workplace, strengthening skills and learning more about the requirements of the field and how best to perform. WBL is identified in different ways, but includes courses titled: clinical, affiliation, fieldwork, and practicum. Some WBL is incorporated into courses that are offered each semester, while others are scheduled independently. They may be scheduled for a few days a week, or for several consecutive full weeks. Each experience is completed in a workplace environment. Specific proof of immunity may be required depending on your program of study and placement. Additional immunization, laboratory work, drug tests and/or written documentation may be required based on individual circumstances.

For all WBL experiences student knowledge, technical skills, attitude, attendance and behavior are evaluated based on predetermined criteria that are provided to the students and the agency. It is the student's responsibility to understand the goals, objectives and evaluation criteria for the experience and to adhere to all policies, rules and procedures set forth by RVCC, the academic department/program and the assigned workplace.

To ensure the safety and well being of others, the College must be certain that each student participating in a WBL experience possesses minimum skills, knowledge, personal maturity and judgment as defined by department/program standards. A student will not be placed in, or will be removed from, a WBL experience if performance or behavior is deemed unsatisfactory or unsafe as a result of a formal evaluation conducted by a faculty member/agency supervisor in accordance with published department/program criteria and procedures. In such circumstances in which a removal from the WBL is indicated a grade of "AF" will be assigned.

The RVCC Student Handbook describes sanctions that can be taken if a student violates the College Code of Conduct while participating in a WBL experience. There are occasions when a violation is significant enough that a student will be recommended for immediate expulsion from the WBL experience or suspension from a program. In such instances:

- The faculty will make a recommendation to the Vice President of Academic and Student Affairs that specifies the exact nature of the situation and the potential risks for continuation in the experience.
- The student will be notified of this recommendation in conference and a signature will be secured indicating the student understands that they must not return to the workplace setting.

- Upon review of the recommendation and supporting documentation, the VPAA will make a decision to support the faculty recommendation or will require a meeting with the student, college faculty and WBL supervisor to review the status and discuss possible options.

As with any academic decision, the student has the right to appeal as described in the RVCC Student Handbook.

Criminal Background Check Policy

A criminal background check is required by many facilities prior to WBL experiences. Failure to undergo a criminal background check prior to an assigned work based learning experience may result in inability to progress in a program. Should an agency refuse to place a student based on the outcome of the background check, the college/program shall have no responsibility for arranging an alternate clinical/fieldwork or practicum placement. Students may appeal the decision and will be given the opportunity to present information to dispute the background check. Students must agree that all results will be available to the program and the sites associated with the program. The criminal background check may be required several times during a two-year program and may be required for employment and/or licensure and/or certification. Cost for the criminal background check will be the responsibility of the student. Students should work with their Program Directors for assistance. Note: Some agencies require a state and federal background check.

Drug and Alcohol Test

Drug and Alcohol Testing is required by many facilities prior to WBL experiences. Failure to undergo a drug and alcohol test prior to an assigned work based learning experience may result in inability to progress in a program. Should an agency refuse to place a student based on the outcome of a drug and alcohol test, the college/program shall have no responsibility for arranging an alternate clinical/fieldwork or practicum placement. Students may appeal the decision and will be given the opportunity to present information to dispute the drug and alcohol test. Students must agree that all results will be available to the program and the sites associated with the program. The drug and alcohol test may be required several times during a two-year program and may be required for employment and/or licensure and/or certification. Cost for the drug and alcohol test will be the responsibility of the student. Students should work with their Program Directors for assistance.

Student Services

Accessibility Services

Students seeking accommodations must provide current documentation of the disability. Current documentation requirements are based on the type of disability and range from evaluation within the past six (6) months to evaluation within the past three (3) years. The College is not responsible for property left by students who have graduated or left the College. Lost and found items should be brought to the front office at the main campus or to reception desk at the Keene and Lebanon Academic Centers. Every attempt will be made to return found items. After 30 days, property will be removed from the College.

Vice President of Academic & Student Affairs (VPASA)

The Vice President of Academic & Student Affairs has responsibility for much of what sets the tone for students outside the classroom at the College. Admissions, Financial Aid, orientation, and student activities are some of the services for which the Vice President of Academic & Student Affairs is responsible. As an advocate for students, the Vice President of Academic & Student Affairs and staff respond to student questions, concerns, or problems and facilitate their resolution.

Student Activities/Organizations

Activities

Activities are promoted by the Student Government Association (SGA). They are open to all students and interest levels. Each year various events are planned. The activities are offered at low cost or no cost to current students. Students interested in helping to plan or participate in activities should consider joining. For more information, contact a Student Government member or Student Government Advisor. Students must be in good academic and financial standing to participate in some activities.

Alumni Association

The River Valley Community College Alumni Association consists of active Alumni volunteers who promote the best interests of the College, work to strengthen the relationships of all alumni with one another and the College, and provide support to the College in meeting its goals. Membership in the Association is open to all recipients of a degree, diploma or certificate. Alumni interested in joining the Association should visit our website at www.rivervalley.edu.

Athletics

The determining factor for athletics depends on student interest. Skiing, tennis, swimming, track, soccer, basketball, cross-country, golf, and other individual and team sports can be organized if numbers warrant. Community facilities may be available to our students for an intramural program. Athletics are supported by funds allocated from Activity Fees.

Students participating in intercollegiate athletics must be maintaining satisfactory progress towards a degree. Any participating student placed on probation becomes ineligible to participate until such time as she/he is restored to good standing.

Establishing New Organizations

Student organizations are reflective of student interests. Any student or group of students can establish a new club or organization. To do so, consult the Student Government Association Bylaws for starting new clubs on campus. The SGA will then vote to officially recognize the organization. Organizations must be open to all students and should not discriminate based on race, color, religion, national origin, age, sex, handicap, veteran status, sexual orientation, gender identify or expression, genetic information or marital status. A club's request for recognition by the Senate will indicate its willingness to comply with the SGA's guidelines for the expenditure of club funds.

Student Government Association (SGA)

The purpose of the [Student Government Association \(SGA\)](#) shall be to support the student body through guidance and governance over student affairs which are extracurricular in nature nurturing a successful student experience. Information about SGA is sent electronically through email and is posted on the Student Information Boards at the Claremont campus, Keene and Lebanon locations.

Student Functions

Any recognized organization can sponsor a function with prior Student Government Association approval. Approval forms are available from the Office of Academic & Student Affairs. The group's faculty advisor must sign the form and can answer questions a group might have. The approval form must be returned to the SGA Advisor for approval. Students should consult the SGA Bylaws and Operating Rules for specific guidelines on all SGA activities.

Phi Theta Kappa (PTK)

[Phi Theta Kappa](#) is the largest international honor society for two-year colleges recognizing and encouraging scholarship, leadership, service and fellowship in two-year college students. Invitations for membership are extended to Associate degree students who have accumulated 12 credit hours at RVCC, have achieved a 3.5 cumulative Grade Point Average and have demonstrated leadership and service. The River Valley Community College chapter is Alpha Delta Chi.

The College is committed to providing an experience that educates and supports students in and out of the classroom. An incident report must be completed by the student regarding any emergency, crime or violation of law occurring on campus. Annually, through a campus safety and security brochure, the student handbook, and other college publications and resources, the Office of Academic & Student Affairs distributes information regarding crime prevention tips and existing counseling, mental health, and other services to students, both on campus and within the local community. Students will have access to campus buildings during regularly scheduled hours while classes are in session. Maintenance staff routinely inspects campus grounds and facilities for possible security concerns. Students and employees of the College are encouraged to be responsible for their security and the security of others. Students may report any campus maintenance/security concerns to the Vice President of Academic & Student Affairs.

Upon a drop or withdrawal, I agree that I will be responsible for all charges as noted in the student catalog and handbook. I further understand that if I do not make payment in full, my account may be reported to the credit bureau and/or turned over to an outside agency. I also agree to pay for the fees of any collection agency which may be based on a percentage of the debt up to a minimum of 35%, and all additional costs and expenses, including any protested check fees, court filing costs and reasonable attorney's fees, which will add significant costs to my account balance."

Reportable incidents may include, but are not limited to: accidents in the building or parking lots, exposure to hazardous materials, fear or threat of bodily harm, harassment, slander, etc. Incident reporting can be done online at <https://www.rivervalley.edu/about/campus-safety/>,

Immunization Policy

Students, regardless of age, who are accepted into a CCSNH program requiring participation in a clinic practicum, internship, co-op or field experience, or student who participate in inter-collegiate athletics or reside in a residence hall, must present documented proof of immunizations against measles, mumps, rubella, tuberculin skin infection and tetanus before participation or residence can be approved. Records will be maintained by Program Directors & Clinical Coordinators. RVCC works with various software programs to help students collect and manage this information. Students should consult their program director for additional information.

Please note: Individual clinical sites may require a COVID-19 vaccination in order to participate. As with all clinical program requirements, the site reserves the right to deny participation to any student who does not meet basic eligibility criteria. CCSNH students who do not meet eligibility criteria for clinical programming may be required to select an alternate course of study in the event that the student cannot obtain the required clinical experience for their chosen course of study. Individual programs of study are not required to secure clinical experience for students who do not meet eligibility criteria.

Documentation standards are as follows:

1. Students shall be considered immune to measles, mumps, and rubella (MMR) only if they have:
 - a. Documentation of immunization with 2 doses of live vaccine after 12 months of age;
 - b. Laboratory confirmation of immune titers for measles, mumps and rubella; or
 - c. Had one rubella, provided the student was born prior to 1957.

2. Students shall be considered immune to measles or rubella, instead of MMR only if they have:

3. Students shall be considered immune to mumps instead of MMR only if they have:
 - a. Had disease confirmed by an office record;
 - b. Been immunized with one dose of vaccine after 12 months of age; or
 - c. Been subject to the more stringent requirements of a clinic or practicum site.
4. Students shall be considered immune to rubella instead of MMR only if they have:

If only the year of immunization is provided, the date given shall be 2 years from the year of birth.
9. Exceptions to this policy shall be granted for good cause by the college President. Good cause shall include, but not be limited to, medical contra-indications or other reasons beyond the control of the student.
10. Requests for waiver shall be submitted in writing to the President of the College. The President shall determine if the application shall be granted or denied within 10 working days of its receipt.

Liability Insurance

Personal professional liability insurance is mandatory for all students in Allied Health and Nursing programs which include clinical requirements. The rate is approximately \$25.00 per year. If you already have your own professional liability insurance, you will need to show valid proof of such coverage before you participate in Work Based Learning (WBL) experience.

Medical Insurance

All students are requested to carry medical insurance while attending the College. Students enrolled in Allied Health/Nursing programs and/or engaged in interscholastic sports must have medical insurance. Students working in laboratories or shops that require the operation of machinery or equipment that could cause injury in case of malfunction or student error should be covered by medical insurance.

Messages

A personal message cannot be delivered to a student in class except in the case of emergency.

Posters, Signs and Notices

The College has designated information boards on campus for posting notices, signs and posters. In an effort to maintain an esthetically welcoming environment, we ask that you limit postings to these areas. All posters, signs and notices should be legible, include a dispose date, and receive prior approval from the Vice President of Academic & Student Affairs before being posted on appropriate bulletin boards. Postings lacking a dispose of date will be assumed expired and removed.

Recycling

River Valley Community College recycles and encourages faculty, staff and student to do the same. Look for specially marked recycling receptacles around the main campus and the Keene and Lebanon locations.

Refunds for Tuition

To receive a 100% refund of tuition, less non-refundable fees, students must drop their class in SIS by the end of the fourteenth (14th) calendar day of the semester. Students in classes that meet in a format shorter than the traditional semester (15-16 weeks) will have seven (7) calendar days from the designated start of the class to drop for a full refund. If the seventh (7th) or fourteenth (14th) calendar day falls on a weekend or holiday, the drop refund date will be the first business day following the weekend or holiday. Exception: students in courses that meet for two weeks or fewer must drop by the end of the first day of the class in order to get a 100% refund.

This policy applies to all semester length and alternative semester formats. Non-refundable fees are defined as advance tuition. All other fees are to be considered refundable. This includes, but is not limited to, the comprehensive student services fee. All Federal Title IV Funds (i.e., Pell, SEOG, Perkins Loans, Stafford Loans) are prorated and refunded according to the rules and regulations mandated by the US Department of Education. Students registered for workshops through the Division of Continuing Education or Business & Industry Training Center must withdraw in writing at least three (3) days prior to the first workshop session in order to receive a full refund of tuition and fees. In extenuating circumstances, the President (or designee) is authorized to offer alternative compensation in the form of tuition credit or waiver to students on a "case-by case" basis. Tuition credit must be used within one calendar year from the date of authorization. In accordance with Federal regulations, refunds for an amount less than \$1 will be forfeited. *NOTE: Tuition and fees are subject to change without notice. Applicants should check with the College for verification of current charges.

All refunds require that the student drop courses in SIS within the above stated time frames. No paper forms are accepted.

Return of Funds for Financial AID Recipients

Financial Aid recipients who withdraw from the school or stop attending classes may be required to **repay** all or part of their financial aid received. Recipients may also be required to **pay back** to the College, all or a portion of tuition charges. Students who attend more than 60 percent of the semester are considered to have earned 100 percent of the federal or state aid received. Contact the Financial Aid Office for more information on Return of Title IV funds. Withdrawals are done through the [Student Information System \(SIS\)](#).

The date the Withdrawal is entered by the student in SIS is the withdrawal date and date of notification to the College. If a student ceases attendance without providing official notification, the withdrawal date will be the midpoint of the semester, unless the Registrar is notified otherwise.

Students who stop attending class after the add/drop period may receive an AF from the instructor at the end of the semester. An AF grade is computed into the student GPA as an F. However, an instructor may also give an AF grade at any point during the semester for violation of the instructor's individual attendance policy, for disruptive classroom behavior or for unsafe clinical practice. In this instance the instructor will submit the AF grade to the Registrar on a designated form. The date the form is submitted will be the date of notification.

Safety and Fire Regulations

Eye Safety

In all science and mechanics laboratories when eye injuries or contamination might occur, proper safety glasses must be worn, or safety shields used, at all times. In the event of an accident, notify the supervising faculty, complete appropriate response steps as directed by the supervising faculty, and complete an accident report. If required, seek medical attention.

Fire Safety

Fire drills will be held periodically, and students should become familiar with procedures for evacuating the building. Fire alarm pull boxes are located near each exit and other locations throughout the College buildings.

When discovering a fire:

1. Immediately pull a fire alarm box;
2. Notify the Office of Academic & Student Affairs or Academic Center Director as to the location of the fire.

When the fire alarm sounds:

1. All machinery should be turned off and secured. Turn off any gas;
2. Leave the room and proceed promptly but calmly out of the building through the nearest exit;

Tuition Appeal Policy

What is the Institutional Refund Policy

The Institutional Refund Policy for credit courses at RVCC allows a 100% refund of tuition and fees for courses dropped within a specific range of dates governed by the start date of each course. After the end of each 100% refund period, no other refunds will be granted. These dates are posted every semester on the RVCC website, and will vary from semester to semester.

Guidelines for Petitions for Exception to the Institutional Refund Policy

- Students may request an exception to the Institutional Refund Policy due to extenuating circumstances which prohibited completion of course(s) in a given semester.
- Requests must be submitted on the [Tuition Appeal Form](#), with a written personal statement and any essential documentation to support the request (if applicable).
- Students receiving financial aid should speak with a Financial Aid Counselor before submitting the petition as its approval could affect current and future financial aid awards.
- Requests for refunds will NOT be considered for classes in which the student earned a grade (A-F,P/ NP).
- The student must officially withdraw or be administratively withdrawn (W,WP,WF,AF) from classes before a petition is submitted.
- Students with circumstances related to academic, institutional, or enrollment issues may complete a Tuition Appeal Form. The petition will be forwarded to the Tuition Appeals Committee which meets bi-weekly.

Deadlines for Submitting Petitions for Exception to the Institutional Refund Policy

Fall term petitions must be submitted before April 1st of the following year.

Spring term, before September 1st of the same year.

Summer term, before November 1st of the same year.

Examples of Extenuating Circumstances

- Illness or injury of a nature that significantly impacted the ability to continue attending class
- Illness or injury of an immediate family member where the student is the primary care giver
- Death of an immediate family member (Spouse/partner, parent, child, grandchild, sibling, grandparent)
- Military deployment/call to active duty
- Required, involuntary employment schedule changes

Examples of Unacceptable Extenuating Circumstances

- Lack of awareness of RVCC's refund policy and/or course drop/withdrawal deadline.
- Choice to attend another institution without notifying RVCC.
- Student received a grade(s) for the course(s) in a request.

Examples of Required Documentation

• Letter from a licensed health care provider written on the provider's letterhead containing the following information:

- The general nature of the medical condition that prevented the student from attending class.
- The approximate date of onset of the medical condition giving rise to the request, and the dates through which the condition continued.
- The date on which it is anticipated that the student will be able to resume attending class.

- Copy of death certificate or obituary of immediate family member
- Copy of military orders
- Letter from employer in official letterhead verifying involuntary employment changes with specific dates, signed and dated by supervisor.

Petitions presented without supporting documentation may not be accepted. The Tuition Appeals Committee reserves the right to request additional documentation.

Appeals

Students who wish to appeal the committee's decision should do so in writing via email to the President

Tuition and Fees Due

Tuition and fees are due two (2) weeks prior to the beginning of the semester. Tuition and fees may be paid online through SIS, by mail, in person, or phone.

When tuition and fees are not fully covered by Financial Aid and/or a payment plan, it is the student's responsibility to pay the difference two (2) weeks prior to the start of classes. Students who have not accepted their Financial Aid award (the award letter needs to be signed and returned to the Financial Aid Office), established a payment plan, or paid in full - two (2) weeks prior to the start of the semester may be unregistered from classes.

Unattended Children on Campus Policy

It is the policy of the CCSNH to provide a friendly and safe campus while maintaining a learning environment for students and a disruption-free workplace for employees. Children are welcome to accompany adults to their appointments at a CCSNH College; however, children should not be left unattended anywhere on the College campus, including the grounds and parking facilities. Individuals under the age of 16 who are not registered in a class must at all times be under the supervision of an adult who is at least 18 years old. The College faculty and staff are not responsible for the care and supervision of unattended children.

In addition, children of students or employees who are not registered for classes are not permitted in classrooms and/or laboratories, even if the parent/guardian is registered in the class. Parents/guardians are advised that students under the age of 16 who are enrolled in a class are not the responsibility of College employees, other than during designated class time or while doing class related activities on the campus. If a child is left unattended, the College will attempt to locate the parent/guardian and return the unattended child. If the parent/guardian cannot be located, the College may contact local law enforcement. The only exceptions to the above policy are prearranged tours, field trips, and college coordinated or sponsored programs for children.

Use of College Name

No student, group of students, club, or any organization may use the name of the College in any form of printing, including letterheads, or any form of publicity without obtaining written permission from the President. All publicity should be cleared through the President or their designee.

VA Prior Credit Policy

VA regulation states that all facilities approved under the GI Bill® Program have to evaluate all prior credit. The NH State Approving Agency is requiring that all students using any form of GI Bill® Education Benefits, enrolled on or after April 1, 2015, must complete the Credit for Prior Learning/ Training Student Acknowledge Form. Remember the regulation states "evaluate" and not "Must grant credit for prior credit." Please see the RVCC School Certifying Officer for the form and further information.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at www.benefits.va.gov/gibill.

Student Rights and Responsibilities

Family Education Rights and Privacy Act of 1974

The Family Educational Rights and Privacy Act of 1974 was enacted to protect the privacy of educational records, to establish the right of student to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. In cases involving the possibility of misinterpretation of data, the Vice President of Academic & Student Affairs shall interpret the data to the student.

Students shall have the opportunity for a hearing to challenge the content of their college records to insure that they are not inaccurate, misleading, or in violation of their privacy or rights. This type of challenge must be made in writing to the Vice President of Academic & Student Affairs.

*(With the single exception that letters of recommendation submitted on the basis of a pledge of confidentiality prior to January 1, 1975, will not be shown to students.)

No access to or release of any personally identifiable records or files of students will be allowed to any individual, agency or organization without the prior written consent of the student except as follows: the President, Vice President of Academic & Student Affairs, Registrar and their respective staffs, shall have unlimited access without permission to all student records.

Student Code of Conduct

730.06 STUDENT CODE OF CONDUCT AND JUDICIAL PROCESS

I. INTRODUCTION

A. Policy Statement

A student's continuance at any college in the Community College System depends not only upon his or her academic performance but also on his or her conduct. A college's jurisdiction and discipline shall be limited to conduct which adversely affects the college community and/or the pursuit of its objectives, whether on or off the college premises. The goals of the colleges' judicial systems are to:

- Develop, disseminate, interpret, and enforce campus regulations;
- Protect the relative rights of all students;
- Adjudicate student behavioral problems in an effective, equitable, and educational manner;
- Facilitate and encourage respect for campus governance; and
- Enable students to learn from their experiences, to foresee consequences of behavior, and to avoid behaviors that would violate ethical and moral standards.

The mission of the colleges' judicial systems shall be educational in emphasis. In the administration of discipline, however, it is imperative that a proper balance exist between concern for the individual involved in an infraction and concern for the college community. In doing so, the good of the college community normally takes precedence.

B. Definitions

College Official – Refers to any person employed by any CCSNH college performing assigned administrative and/or other professional responsibilities.

College Premises – Refers to all land, buildings, facilities, and other property in the possession of, or owned, used or controlled by any CCSNH college (including adjacent streets and sidewalks).

Complainant – Refers to any person who has filed a report or complaint alleging that a student has engaged in conduct that violates the Student Code of Conduct.

Faculty – Refers to any person hired by CCSNH colleges to conduct educational activities.

Judicial Advisor – Refers to the college official(s) appointed by a CCSNH college to coordinate and monitor the judicial process. The judicial advisor's roles will include but not be limited to monitoring the judicial bodies and proceedings; advising judicial bodies and students on the applicable judicial process; reviewing requests for judicial appeals; and maintaining judicial proceedings records.

Judicial Body – Refers to any college official or committee authorized to determine whether a student has violated the Student Code of Conduct and to impose sanctions.

Judicial Committee – Refers to the appellate body appointed by a CCSNH college that is authorized to consider an appeal arising from a judicial body's determination that a student has violated the Student Code of Conduct and/or the sanctions imposed by such judicial body.

Respondent – Refers to a student against whom a complaint alleging violation of the Student Code of Conduct has been filed.

II. STUDENT CODE OF CONDUCT

A. Scope

The student code of conduct applies to any person registered, accepted or enrolled in any course or program offered by any CCSNH college including those who are not officially enrolled for a particular term but who have a continuing relationship with the colleges. The colleges' jurisdiction and discipline shall be limited to violations of the Student Code of Conduct. The Student Code of Conduct prohibits activities that directly and significantly interfere with the colleges' (1) primary educational responsibility of ensuring the opportunity of all members of the community to attain their educational objectives; or (2) subsidiary responsibilities of protecting the health and safety of persons in the campus community, maintaining and protecting property, keeping records, providing living accommodations and other services, and sponsoring non-classroom activities such as lectures, concerts, athletic events, and social functions, whether the violation occurs on or off the college premises or inside or outside of the classroom. Such conduct or attempted conduct is forbidden.

B. General Infractions

1. Violation of published college policies, rules, or regulations;
2. Violation of federal, state, or local law;
3. Use, possession, sale, or distribution of narcotic or other controlled substances or purported controlled substances except as expressly permitted by law and college regulations;
4. Public intoxication or the use, possession, sale, or distribution of alcoholic beverages, except as expressly permitted by the law and college regulations;
5. Possession of firearms, explosives, other weapons, or dangerous chemicals on college premises (including in vehicles) except as authorized by the college for instructional, maintenance, or law enforcement purposes;

C. Academic Misconduct

1. Acts of dishonesty including but not limited to the following:
 - a. **Cheating**, which includes, but is not limited to: (1) use of any unauthorized assistance from other persons or technologies in taking quizzes, tests, or examinations or in the preparation and completion of class assignments; (2) dependence upon the aid of resources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic material belonging to a member of college faculty, staff, or students; or (4) knowingly providing unauthorized assistance of any kind to another for the purpose of providing unfair advantage to the recipient in the completion of

course assessments/assignments (sometimes known as *facilitation*);

b. **Plagiarism**, passing off the work of another as one's own, which includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in providing term papers or other academic materials via direct sale, barter, or other means.

2. Grading Authority: Authority over individual assignment or course grades is reserved to instructors. Therefore, a student who commits an act of academic misconduct may also be subject to academic consequences at the discretion of the instructor in the course. This can result in, but is not limited to, the student failing the course. A student who wishes to file a Grade Appeal should refer to CCSNH Academic Affairs Policy 670.04:

670.04 GRADE APPEAL

*Any appeal of a grade must be initiated by the student with the instructor before an ensuing semester has elapsed. Students should be advised that in most instances a grade may be changed only by the instructor. The Vice President for Academic and Student Affairs, the only other individual on campus empowered to change a student's grade, may alter a student's grade only in a case of obvious computational error or blatant abuse of the grading prerogative.**

Students who believe they have a valid ground for a grade appeal will use the following process to resolve the issue:

1. Meet with the instructor. The student shall contact the faculty member and schedule a meeting to discuss the grade appeal and attempt to resolve the conflict. The faculty member and student shall meet within the next five (5) work days.

2. Meet with the Program Director/Department Head. If the issue was not resolved in Step 1, the student has three (3) work days from the date of the faculty member's decision to file a written appeal with the faculty member's Program or Department Head, or with the VPASA if the faculty member is also the Department Head or Program Director. Within three (3) work days the Department Head (or VPASA) will mediate the dispute either through discussion with the instructor, or with the student in the company of the faculty member. If no resolution is reached, proceed to step 3.

3. File a written appeal with the Vice President of Academic and Student Affairs (VPASA). If the issue is not resolved in Step 2, the student has three (3) work days to file a written appeal with the VPASA (or designee). The letter of appeal must include the student's name and contact information, the course name and number, the semester in which the course was taken, the student's grade, the name of the instructor issuing the grade, and specific evidence of obvious computational error and/or blatant abuse of the grading prerogative. The VPASA (or designee) will have ten (10) work days from receipt of the written appeal to render a decision. The decision of the VPASA (or designee) is final.*

**Note that "blatant abuse of the grading prerogative" refers to situations in which an instructor has willfully ignored published grading and assessment criteria and/or has exhibited bad faith by acting in violation of published performance/behavior standards for faculty.*

***There are times, especially during the summer, that the schedules of the faculty member, the Department Head, and/or the Vice President are not compatible with the time frames specified above. Students who have been unsuccessful in their attempts to reach the faculty member may contact the Academic Affairs Office directly. A representative of the Academic Affairs Office will then make every attempt to arrange the required meeting with the course instructor and Department Head within the five (5) days indicated in Step 1. Students are advised, however, that it may not be possible in all cases to do so.*

H. Student Social Compact

As members of this campus community, we face a serious public health situation that requires a new level of awareness and caution in our daily lives. As a caring community, we understand that our health and safety depend on how well we take care of ourselves and each other. As a member of this community I promise to responsibly protect my health and the health of others. I make these efforts to help prevent the spread of COVID-19 and other risks to our community's health and to best preserve the learning opportunities available to me as a student at this college.

The virus that causes COVID-19 is highly contagious. It is possible to develop and contract COVID-19, even when individuals follow all of the safety precautions recommended by the Centers for Disease Control (CDC), the State of New Hampshire, and the College. NH's community colleges are following coronavirus guidelines issued by the CDC, the NH Department of Health and Human Services (DHHS), and other reliable resources to reduce the spread of infection. However, by engaging in on- or off-campus activities, students, faculty and staff can never be completely shielded from all risks of exposure or illness caused by COVID-19 or other infections.

Maintaining college instructional and service activities is dependent upon how well ALL members of our college community adhere to public health recommendations and expectations. Significant changes in the trajectory of the virus may result in changes to instructional and campus operational plans. It is in all of our best interests to do our part to mitigate the spread of COVID-19. To protect myself and others, and preserve the opportunity of learning in this campus setting, I understand that as a member of the CCSNH community I will be expected to:

PROTECT MYSELF

1. Monitor for the symptoms of COVID-19 and report as directed by the college and to a medical professional if I experience fever, cough, shortness of breath or other symptoms identified by public health authorities
2. Wash my hands often with soap and water or use effective hand sanitizer
3. Maintain appropriate physical distancing, especially in indoor settings
4. Protect myself from viral respiratory infections by means that may include obtaining a flu shot as recommended by NH public health authorities
5. Follow all other recommendations of public health officials in the State of New Hampshire

PROTECT OTHERS

1. Stay home if feeling ill, or after exposure to someone who is ill or is suspected or confirmed positive for COVID-19

2. Wear an appropriate face covering and other protective gear as directed by the college
3. Be positive, sensitive and helpful to anyone around me who may be troubled or struggling
4. Recognize that others may have health conditions or relevant family circumstances that are private and respect their needs for personal and community precautions
5. Understand that individuals can have COVID-19 yet be asymptomatic and therefore an unknown carrier of the virus

PROTECT MY COLLEGE COMMUNITY

1. Keep clothing, belongings, personal spaces and shared common spaces clean
2. Carefully observe instructional signs and follow directions
3. Inform the designated COVID-19 Contact Person at my college if I have a positive test or am experiencing symptoms associated with COVID-19
4. Participate as requested in testing and contact tracing to preserve the wellness of the community
5. Recognize that COVID-19 does not stop at campus boundaries and be aware that my behavior outside campus can create risks for my on-campus community
6. Behave with compassion and understand that we are all doing the best we can in unprecedented circumstances – share concerns rather than anger or blame

PROTECT MY SURROUNDING COMMUNITY

1. Complete required precautions prior to arrival on campus, or if I have had to leave the state
2. Self-isolate in accordance with NH DHHS guidelines if I test positive for COVID-19
3. Quarantine in accordance with NH DHHS guidelines if I am identified as having been in close contact of a suspected or confirmed case for COVID-19 or fall under the travel restrictions for COVID-19
4. Practice safe physical distancing when participating in the community outside of the campus
5. Pay attention to and observe local and state directives
6. Remember that not everyone is affected equally by COVID-19 and by complying with COVID-19 health guidelines, I will help those who are most vulnerable to stay safe
7. This virus does not discriminate, and neither will I – no person or group of people is responsible for this virus and I will not blame the presence of COVID-19 on anyone in my community

This Social Compact is part of the Student Code of Conduct adopted for the 2020-21 academic year.

III. VIOLATION OF CIVIL/CRIMINAL LAW AND COLLEGES' CODE OF CONDUCT

1. If a student is charged with a violation of the Student Code of Conduct that also constitutes a violation of a criminal statute, disciplinary proceedings may still be instituted against a student prior to, simultaneously with, or following civil or criminal proceedings off-campus.

2. When a student is charged by federal, state, or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a CCSNH college judicial body, however, the college may advise off-campus authorities of the existence of the proceeding and of the internal handling of such matters within the college community. College officials, faculty and staff will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators.

Such sanctions require the approval of any person(s) whose participation is required for the completion of the sanction(s).

c. Person(s) involved in the incident;

d. Victim(s) or damages involved in the incident;

e. Complete narrative description of the incident;

f. Names of witnesses to the incident;

g. Any other information deemed appropriate.

Preliminary Process for Sex-Related Offenses

1. All complaints involving a sex-related offense shall be forwarded to the CCSNH Title IX Coordinator and the College Title IX Coordinator.

2. If the complaint involves a sex-related offense, the College must provide the victim with a written explanation of the rights of the victim and the institution's responsibilities regarding, as applicable, issuance of restraining orders, orders for protection, no contact orders, etc.

The College must also provide a description in writing of the procedures for disciplinary proceedings in cases of such alleged offenses and resources available to the victim(s). Resources may include services such as counseling, health, mental health, victim advocacy, legal assistance, information concerning the process for preserving evidence, and other services available for victims, both on-campus and in the community. The College must also notify the victim of the information that will be disclosed, to whom it will be disclosed, and the reasons for such disclosure.

Investigation and Resolution of Complaint by Judicial Body

1. The fact that a complaint has been filed creates no presumption that the Respondent has

committed the alleged offense.

2. The complaint will be referred to the appropriate Judicial Body, which will investigate (or request a formal investigation by an impartial investigator) and hear all complaints and may a) dispose of the complaint as unfounded; b) mediate an informal resolution; or c) issue (or authorize to be issued) sanctions as described in Section IV of this code.

3. The Respondent and the Complainant, where applicable, have the right to be assisted by an advocate of their choice. An advocate, however, is not permitted to speak or to participate directly in any investigation or hearing before the Judicial Body.

4. A time shall be set for an initial hearing before the Judicial Body not less than one (1) business day after nor more than five (5) business days after the Respondent has been notified. At the initial hearing, the Judicial Body may receive evidence from the Complainant and the Respondent regarding any interim sanctions and shall determine whether a) the complaint should be disposed without further investigation and a report issued setting forth the findings and the sanctions, if any, to be imposed; b) mediation is appropriate; or c) a formal investigation is required. In the event a formal investigation is required, the Judicial Body will accept the findings of the investigator(s) and provide a report of the findings to Respondent and where the allegations involve domestic violence, dating violence, sexual assault, or stalking, the Complainant shall also be provided a report of the investigator's findings.

5. Whether the investigation is completed by the Judicial Body or an impartial investigator, all findings will be based on a preponderance of the evidence; i.e., evidence that would lead a reasonable person to believe that it was more likely than not that the Respondent committed the alleged offense.

6. If the investigator's report contains a finding that the Respondent committed the alleged offense, a time shall be set for a sanctions hearing before the Judicial Body to be held not less than one (1) day nor more than ten (10) days after the investigation report is issued. Both the Complainant and the Respondent shall be simultaneously informed, in writing, of the outcome of any Judicial Body hearing that arises from an allegation of domestic violence, dating violence, sexual assault, or stalking.

C. STUDENT DISCIPLINARY APPEALS

Filing an Appeal and Preliminary Appellate Process

1. A Respondent may appeal a disciplinary action by filing a written appeal with the Judicial Advisor within five (5) business days of being informed of the sanction being imposed. For cases involving gender or gender identity or expression discrimination, sexual harassment, sexual assault, domestic violence, dating violence or stalking both the Respondent and the Complainant have the right of appeal. The imposed sanction remains in effect during the appeal process. The written appeal must indicate the grounds for reversing the sanction. Grounds for appeal shall be limited to:

- a. the original hearing/investigation was not conducted fairly and in conformity with prescribed procedures;
- b. new and relevant evidence, sufficient to alter the decision, has been revealed that was not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing; or
- c. inappropriate gravity of the sanction in relation to the offense.

2. The Judicial Advisor has three (3) business days from the receipt of the appeal to determine whether the basis set forth in the appeal falls within the grounds allowed for appeal and to inform the appealing student in writing. If the Judicial Advisor determines that the case does not fall within the grounds allowed for appeal, then the previous adjudication stands. If the Judicial Advisor determines that the case does fall within the grounds allowed for appeal and the allegations do not involve domestic violence, dating violence, sexual assault, or stalking, the Judicial Advisor may:

- a. Meet with the Judicial Body who issued the original disciplinary action to discuss a possible modification or rescission, as appropriate. If a decision to modify or rescind is not reached, the appeal will be forwarded immediately to the Judicial Committee or

- b. Immediately forward the appeal to the Judicial Committee for consideration;

3. If the Judicial Advisor determines that the case does fall within the grounds allowed for appeal and the allegations involve domestic violence, dating violence, sexual assault, or stalking, the Judicial Advisor shall immediately forward the appeal to the Judicial Committee for consideration.

4. All preliminary processing of appeals will be concluded within five (5) business days unless the Judicial Advisor determines that there are specific articulated extenuating circumstances (e.g.,

absence of key parties) that require an extension.

5. The Judicial Advisor will provide notification of the outcome of the preliminary processing of the appeal in writing within three (3) business days of the decision to the Respondent and, as applicable, the Complainant, and any administrative offices involved.

D. MEMBERSHIP OF THE JUDICIAL COMMITTEE

1. A chairperson and an alternate chairperson who will be appointed by each college president or their designee.
2. A total of four (4) voting members, elected as follows:
 - a. Two (2) faculty or staff selected by college president or other appropriate college official(s).

1. A minimum of three (3) members (including the Chair) shall constitute a quorum to conduct a hearing. If three appointed members are not available due to recusals or for other reasons, additional members shall be selected by the Judicial Advisor pursuant to the methodology set forth in paragraph 2b. below.
2. During the summer or vacations, a meeting may be called and members will be selected as follows:
 - a. Regular members will serve, if available, or
 - b. In the event sufficient regular members are not available, the Judicial Advisor will appoint additional members as necessary to reach a quorum and in such a manner as to reflect the original representation of the committee.
3. If the complaint has been brought by a member of the Judicial Committee or the Vice President of Academic & Student Affairs, he/she shall recuse him/herself from the Committee's deliberations and voting.
4. Hearings shall be conducted by the Judicial Committee according to the following guidelines:
 - a. The parties shall receive written advance notification informing them of the allegations set forth in the complaint, the time, date and place of the hearing.
 - b. The Respondent may remain silent or submit only a written statement or response to the complaint.
 - c. Hearings normally shall be conducted in private. Admission to the hearing of any person not directly involved with the proceedings shall be at the discretion of the chairperson of the Judicial Committee.
 - e. When more than one individual is charged with the same violation, each Respondent shall have the right to an individual hearing. Otherwise, the cases may be heard jointly.
 - f. The Complainant and the Respondent have the right to be assisted by an advocate they choose. The Complainant and/or the Respondent, however, are each responsible for presenting his or her own case and, therefore, advocates are not permitted to speak or to participate directly in any hearing before the Judicial Committee.
 - g. The Complainant, the Respondent and the Judicial Committee shall have the right to call witnesses. They also have the right to present pertinent records, exhibits, and written statements for consideration by the Judicial Committee. All questioning of the Complainant, the Respondent, and witnesses will be conducted by the Judicial Committee.
 - h. In certain cases, when a complaint has been brought by an individual who is either unable or unwilling to present the case, the college may appoint a representative to present the case. In these instances, a member of the Judicial Body or the impartial investigator will consult with the Judicial Committee to determine the appropriateness of serving in this role.
 - i. All procedural questions are subject to final decision by the chairperson of the Judicial Committee.
 - j. After the hearing, the Judicial Committee shall determine based upon the evidence presented

at the hearing (by majority vote) whether the Respondent Student has violated the Student Code of Conduct. The chairperson will vote only in the event of a tie.

k. The Judicial Committee's determination shall be made on the basis of whether it is more likely than not that the Respondent committed the alleged offense and thereby violated the Student Code of Conduct.

l. The Judicial Committee will issue a report of its findings and sanctions to be imposed to the Judicial Advisor within three (3) business days of the completion of its hearings on the matter.

m. The Judicial Advisor will provide written notification of findings and sanctions to the Complainant and the Respondent Student and administrative offices on a need-to-know basis. The original document will be filed with the college's judicial records.

5. The Judicial Advisor shall be responsible for making a record of the hearing. There shall be a single record (whether written minutes, audiotape or other record) of all hearings before the Judicial Committee. The record shall be the property of the college, and may only be reviewed by the parties or college official upon providing a written request to the Judicial Advisor.

6. Except in the case of a student charged with failing to obey the summons of the Judicial Committee, Judicial Body or college official, no student may be found to have violated the Student Code of Conduct solely because the student failed to appear before the Judicial Body or Judicial Committee. In all cases, the evidence in support of the charges shall be presented and considered.

7. The decision of the Judicial Committee is final and is not subject to further appeal.

V. STUDENT RIGHTS

A. Students in the Classroom

The classroom environment should encourage free discussion, inquiry and expression. Student performance must be evaluated on the basis of academic performance. At the same time, students are responsible for maintaining standards of academic performance established for each course in which they are enrolled. Students are responsible for learning the content and maintaining academic standards for any course of study, but in so doing, they have the right to take substantiated exception to the data or views presented in class, and they are responsible for learning the content of any course of study for which they are enrolled. Information about the personal views, beliefs, and political associations of students which instructors, advisors and counselors learn in their course of work should be considered confidential.

B. Student Freedom Off-Campus

Students are both citizens and members of an academic community with rights of freedom of speech, peaceful assembly and petition. Administrative officials and faculty members should not employ institutional powers to inhibit the intellectual and personal development of students as promoted through the exercise of citizenship rights on and off campus.

Where activities of students off-campus result in the violation of law and interrogation by investigators, the colleges should:

1. Not duplicate the function of general laws until the college's interests as an academic community are distinctly and clearly involved;
2. Not subject the student to a greater penalty than would normally be imposed if the off-campus violation incidentally violates an institution regulation;
3. Take appropriate action independent of community pressure.

C. Freedom of Association

Students should be free to organize and join associations to promote their common interests. Affiliations with an external organization should not of itself disqualify a student organization from institutional recognition. Student organizations must submit a statement of purpose, criteria for membership, rules of procedures, and a current list of officers. Campus organizations should be open to all students without respect to race, creed or origin, except for religious qualifications which may be required by organizations whose aims are primarily sectarian.

D. Freedom of Inquiry and Expression

Students and student organizations shall be free to examine and discuss all questions of interest to

them and to express opinions publicly and privately. At the same time, it should be made clear that in their public expressions or demonstrations students or student organizations speak only for themselves and not for the college, CCSNH, its board of trustees or employees.

Students should be allowed to invite and to hear any person of their own choosing. Those routine procedures required by a college before a guest speaker is invited to appear on campus should be designed only to ensure that there is orderly scheduling of facilities and adequate preparation for the event, and that the occasion is conducted in a manner appropriate to an academic community. The institutional control of campus facilities should not be used as a device of censorship. It should be made clear to the academic and larger community that presence of guest speakers does not necessarily imply approval or endorsement of the views expressed either by the sponsoring group or by the college.

E. Student Participation in College Government

The student body should have clearly defined means to participate in the formulation and application of institutional policy affecting academic and student affairs. The role of student government and both its general and specific responsibilities should be made explicit and the actions of student government within the areas of its jurisdiction should be reviewed only through orderly and prescribed procedures.

F. Student Publications

College authorities, in consultation with students and faculty, have a responsibility to provide written clarification of the role of the student publications, the standards to be used in their development, and the limitations on external control of their operation. Editorial freedom entails corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel, indecency, unsubstantiated allegations and attacks on personal integrity, and the techniques of harassment and innuendo.

G. Establishing Student Conduct Standards

1. Conduct

In developing responsible student conduct and disciplinary procedures, the CCSNH and its colleges should:

- a. Establish and communicate, through publication, those standards of behavior which are considered essential to the educational objective and community life.
- b. Initiate disciplinary proceedings only for violations of standards of conduct formulated or published.
- c. Formulate and communicate disciplinary procedures, including the student's right to appeal a decision.

2. Investigation of Student Conduct

a. Search & Seizure

CCSNH regards the right of privacy as an essential freedom. Occupied premises, assigned lockers, privately owned automobiles or any other personal property owned or controlled by a student may not be searched without consent of the student except in the circumstances noted below.

Before a search is conducted, school officials will have reasonable grounds to believe that the search will turn up evidence that the student has violated, or is violating, either the law or school rules. All searches will be reasonable and justified from their inception and reasonable in scope:

- Residential Life health and safety inspections, Thanksgiving Break Closings, Winter Break Closings and Spring Break closings to insure the health, cleanliness, safety and maintenance of the Residence Halls. During inspections, if a policy violation comes to the attention of the staff (ex. candle), it may be addressed judicially.
- Routine inspections, emergency repairs, and/or routine maintenance. Such activities do not normally include searches, but are for the purpose of inspection, maintenance and repair.
- Entries authorized in advance by the President or Vice President of Academic & Student Affairs (or designee) in writing based upon reasonable information that such entry is necessary for the purpose of detecting and removing items, including but not limited to, weapons or other contraband which violate a law or a school rule or pose a threat to the health and safety of students, faculty, staff or guests. The scope of any search conducted pursuant to this authorization shall extend no further than is necessary to secure and remove the item(s).

- Entries and searches authorized by law. Entries and searches conducted by duly and authorized law enforcement officials under circumstances authorized by law.
- Entry may be made to ensure the health and safety of occupants. Examples include, but are not limited to, fire or alarm evacuations, smell of smoke or burning items, and concern for non-responsive occupants.
- Appropriate staff may enter if there is a reasonable belief that evidence exists that a violation of a college policy is taking place. Efforts will be made to seek compliance from the residents of the space before this type of entry is made.

3. Status of Students Pending Action on Change

Pending action on charges, the status of a student should not be altered, nor should the student's right to be present on the campus and to attend classes be suspended, except for reasons relating to his/her physical or emotional well-being, or for reasons relating to the safety and well-being of students, faculty, or institution property.

VI. STUDENT RIGHTS – GRIEVANCE PROCEDURES

Any student who feels that their rights have been violated may file a grievance following the procedure below. In the case of a grievance alleging discrimination based on race, color, religion, national or ethnic origin, age, sex, sexual orientation, marital status, disability, gender identify or expression, genetic information and veteran status, as defined under applicable law, the student may also report the conduct to the college's Affirmative Action/Equity Officer and/or Title IX Coordinator.

In the case of a grievance alleging discrimination, the college may also initiate an investigation and take appropriate steps including, but not limited to, referring the matter to the appropriate College Official for disciplinary action.

A. Prior to filing a grievance, the student is encouraged to meet with the individual who has allegedly violated his or her rights, e.g., instructor, staff member, or student, to resolve the issue informally.

B. If the issue cannot be resolved by pursuing the process in step A, or the individual elects not to resolve the matter informally as prescribed in step A, a formal grievance in writing must be submitted to:

- The Vice President of Academic Affairs for grievances related to the instructional process (see college catalog or student handbook for separate process for Grade Change/Grade Appeal), or:
 - The Vice President of Student Affairs for grievances not related to the instructional process
- The grievance must be submitted within two weeks of the date the grievant knew or reasonably should have known, of the alleged violation. The grievance shall specify the right claimed to have been violated and state briefly the underlying facts.

C. The Vice President of Academic & Student Affairs, or designee, will meet with the individual alleged to have violated the student's rights. The VPASA, or designee, may attempt to resolve the issue informally at this stage. If resolution is not possible and the VPASA or designee determines that the grievance alleges facts which if true constitute a violation of the student's rights and has been timely filed, the matter will be forwarded to the Judicial Advisor who convene the Judicial Committee within two weeks of the receipt of the formal grievance. If the VPASA or designee determines that the grievance does not state a violation of the student's rights or is untimely, the VPASA will provide a written explanation to the student and the matter will be considered resolved at that point.

Crime Awareness & College Security Information Report

2019 Crime Awareness & College Security Information Report Executive Summary

2019 Crime Awareness & College Security Information Report Executive Summary

The information provided herein meets the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. It has been prepared by the Director of Campus Safety and Emergency Management using statistical data and other information supplied by College Facilities, the Safety Committee & Behavioral Intervention Team (CARE), and police departments from the Cities of Claremont, Keene, and Lebanon. The Report is updated annually.

This report provides readers important information about the College's safety and security policies and procedures and includes statistics about incidents of crime at River Valley Community College (RVCC). When you review the statistics, you will note that RVCC is a safe institution. The safety you experience at the Campuses in Claremont, Keene and Lebanon at the Cheshire house in Keene is due in part to the combined efforts of many individuals and departments, and the close working relationship with local law enforcement. We believe safety at RVCC is a shared responsibility and we rely on every College member to contribute to safety on campus by reporting suspicious activities and using common sense when going about their daily activities.

The Vice President of Academic and Student Affairs (VPASA), in collaboration with College Administration, the Facilities Manager, Campus Safety, the Safety Committee and the CARE team were primarily responsible for developing services, programs and strategies for maintaining a reasonably safe environment at the Main Campus and the Academic Centers. In order to meet this goal, the College focuses on three important functions:

1. A strong partnership with the civil authorities and community groups in the greater Claremont, Keene, and Lebanon communities;
2. A focus on emergency management requiring a comprehensive approach to preventing, preparing for, responding to, and recovering from emergency situations. The College strives to be proactive when planning for and handling emergency events. These efforts are charged to the College's Safety Committee in conjunction with the CARE team – the College's first responder team for students and employees in personal and emotional crisis; and,
3. Utilizing systems that allow us to enhance safety through contemporary office and classroom locking systems, and regularly scheduled practice drills.

The safety of our campus community is vitally important to RVCC. It is our hope that you find this report informative and helpful, and that your time at River Valley Community College is enjoyable and safe. If you have questions or would like additional information about safety and security at the College, please visit us at www.rivervalley.edu or contact Ken Caruncho, Campus Safety and Emergency Management for kcaruncho@ccsnh.edu or 603-542-7744 x5420.

The Campus Security Act – Legal Requirements

The federal Campus Security Act requires colleges and universities to:

- Publish an annual report every year by October 1, which contains three years of campus crime statistics and certain campus security policy statements including a summary of the College's Emergency Response Policies and Evacuation Procedures.
- Disclose crime statistics for the College including public areas immediately adjacent to the Campus or Academic Centers, non-campus facilities or remote classrooms. The statistics are gathered from local law enforcement, the Office of Academic & Student Affairs, Campus Facilities Services, and other College officials who have significant responsibility for student and campus activities.
- Provide "timely warning" notices of those crimes that have occurred and post notices for any ongoing threat to students and employees.
- Disclose all incidents of crime in a Public Crime Log.

The RVCC Director of Campus Safety and Emergency Management is responsible for preparing and distributing this report. The director of Campus Safety and Emergency Management works with departments throughout the College, the President's Office, the Chancellor's Office, and local law enforcement in Claremont, Keene and Lebanon to compile the information herein.

Each September and January, information that provides website access to this report is emailed to all enrolled students and RVCC employees. The URL and direct link is included on the web pages of Prospective Students, Current Students, and HR & Employment Information to inform prospective students and employees.

Paper copies of the report may be obtained by contacting the Office of Campus Safety and Emergency Management at 603-542-7744 x5420. Paper copies are also distributed to the Puksta Library and the Academic Center Supervisors' Offices in Keene and Lebanon.

The URL for this report is <http://www.rivervalley.edu/student-resources/campus-safety>.

College Security Authorities

The telephone number for all emergency calls at any phone on the Main Campus or at either of the Academic Centers is 911.

College Security Authorities include RVCC employees staffed in:

Facilities (603) 542-7744 x5355 or x5356

Academic & Student Affairs	(603) 542-7744 x5331
Academic Center (Keene)	(603) 542-7744 x5701
Academic Center (Lebanon)	(603)443-4200 x5801
ACT Center	(603) 542-7744 x5499
Library	(603) 542-7744 x5465
President's Office	(603) 542-7744 x5340
Human Resources	(603) 542-7744 x5341
College Reception	(603) 542-7744 x0
Campus Safety	(603) 542-7744 x5420

Many College employees, including those listed above, along with all faculty and most staff, who have significant responsibility for students and campus activities are considered to be Campus Security Authorities.

Staff members who are notified of campus incidents and allegations made in good faith are also identified as Campus Security Authorities (CSAs). CSAs are not expected to investigate the crime to determine its validity, but to simply document the incident and provide the information to campus officials, as listed on the Incident Report, for follow-up.

The CARE team provides college wide, first response for non-emergency student and employee personal and emotional crisis situations that happen during the day-to-day goings on of the College. CARE team membership includes faculty, staff, and administration. The Campus Safety Department, Human Resources Office, President's Office, Facilities Manager, and Leadership Team are kept abreast of all incidents and emergencies that take place at the College that involve students and employees.

Members of college community including campus facilities and CARE team members are trained bi-annually in CPR, AED and First Aid.

All facilities personnel, the Puksta Library, Main Reception at all locations, the ACT Center at the Main Campus, the President's Suite, and other key locations on the campus and at the academic centers are equipped with two-way radios for immediate contact with College officials in the event of an emergency.

Facility Security and Access

During business hours, the College will be open to students, parents, employees, contractors, guests, and invitees. All persons entering college property must complete the COVID-19 screening process before being admitted to any RVCC building. During non-business hours, access to all College facilities is by key, if issued, or by admittance via the Department of Campus Safety.

Some facilities may have individual hours, which may vary at different times of the year. Examples are the Library, One Stop Desk and ACT Center. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility.

Emergencies may necessitate changes or alterations to any posted schedules. All facilities have security surveys conducted of them. Vice President of Academic and Student Affairs, CCSNH Capital Planning & Development, CCSNH Risk Management and other concerned areas review these results and recommend or implement improvements. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications. Additionally, during the academic year, the College Safety Committee meets monthly during the fall and spring semesters to discuss issues of pressing concern.

RVCC & Local Law Enforcement

RVCC administration and facilities staff maintain a working relationship with the Cities of Claremont, Keene and Lebanon police departments and fire departments. A Memorandum of Understanding exists between RVCC and the Cities of Claremont, Keene and Lebanon police departments, respectively, and describes the working relationship between the College and local law enforcement. Cities of Claremont, Keene and Lebanon police departments provide RVCC with crime statistics in support of the Campus Security Report.

Campus Law Enforcement Authority

Any employee has the authority to ask persons for identification and to determine whether individuals have lawful business at RVCC. Criminal incidents are referred to the local police who have jurisdiction on the campus. RVCC personnel have no arrest authority beyond that of an ordinary citizen.

RVCC maintains a highly professional working relationship with the local Police Departments. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus officials and the appropriate police agency. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics.

The College recognizes that laws and rules are necessary for society to function and supports the enforcement of law by governmental agencies and rules by officials of the College. All persons on the campus are subject to these laws and rules at all times. Law enforcement officers may enter the campus to conduct business, as needed. Additionally, the officers are invited to patrol the campus to assist the College in deterring crime.

The College Administration is notified of all serious crime on campus, and is immediately notified of major crimes via the telephone or two-way radio. The College relies on the telephone to contact emergency dispatch center for fire and emergency medical needs. All victims are offered an opportunity to report crimes to College personnel and contact the local police department, where appropriate.

Annually, the College is provided with a summary of all crime occurring on campus. Periodic meetings or telephone conversations allow for exchanges of routine information on a timely basis. Additionally, special needs are communicated between agencies as they occur. Crimes committed at off campus facilities under the control of RVCC will be disclosed in these statistics if they come to the attention of the Facilities Management.

Confidential Crime Reporting

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be Campus Security Authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors", when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

Security Awareness Programs for Students & Employees

Sessions for All Employees & Students: Information about campus safety and security are presented

at all orientations for new RVCC students and new employees. Additionally, all printed materials dealing with crime prevention measures, campus safety, sexual assault, domestic violence, emotional abuse, etc., are shared at orientations and are available in: The Student Handbook, New Employee On-boarding Process, and other generic campus safety and security materials. The CARE team and College Safety Committee present general information at the beginning of each academic semester to all employees at All College Meetings. These materials are available at the Reception Desk, Student Advising, Career & Transfer Center (ACT), College Facilities, Human Resources, and at the offices of the Supervisors of the Campuses in Keene and Lebanon. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on a regular basis both in person and online.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. In addition to seminars, information is disseminated to students and employees through handouts, posters, displays, videos, and articles in the Community College System of New Hampshire (CCSNH) Risk Management and Compliance newsletter.

When time is of the essence, information is released to the College community through security alerts sent via the college's email and RVCC Alerts system.

Crime Prevention Programs for Students & Employees

The Campus Safety Committee at RVCC is committed to the safety and wellbeing of all members of the campus community. Of course, a truly safe campus can only be accomplished through the cooperation of the entire college community, which includes students, faculty, staff and visitors.

RVCC strongly encourages the reporting of crimes, accidents, incidents and emergencies to the CSAs. Also, direct access to 911 can be made by using the call boxes located inside the Claremont elevator or accessing the Emergency callbox phones located on the Claremont campus.

The College encourages reporting directly to local authorities in situations where the need is obvious, such as a theft you see taking place, a situation requiring immediate medical attention, etc. Notification of College personnel should take place after the emergency authorities are on route.

Further information on safety and security is provided to students and employees through the RVCC website, posters, brochures and meetings. These are some of the programs that will be provided throughout the year: CPR/AED, alcohol and drug awareness, and other educational programming.

Crime Prevention Resources & Services

RVCC provides direct service programs to the members of the College community. These programs are dedicated to the prevention of crime on campus; they vary in scope and content, with the emphasis on community involvement. Specific programs dealing with campus safety and security services include the following:

- Security audits of buildings
- Escort Assistance
- Campus lighting checks and surveys
- Alcohol assistance programs
- Sexual Harassment and Rape Prevention Program – Coordinated through the local Crisis Center

Counseling

River Valley Community College does have a number of options available for those students in need of professional counseling. Community agencies in the area are available for assistance in finding solutions to individual concerns. The CARE team, a team of trained faculty and staff members who deal in crisis management, are a resource to our campus community.

College Safety Initiatives

Escort Assistance: Campus facilities offers walking escorts to students, faculty and staff to and from any destination on campus. This is a free service offered when the College is open. Students, faculty and staff can access this assistance by requisitions in writing or email, by phone x5420, or in-person requests to the Main Reception desks at Claremont, Keene or Lebanon.

Telephones: All offices, classrooms and labs are equipped with telephones accessible to Enhanced 911. Use these telephones in the event of an emergency. Emergency instructions and phone number listings are posted at every telephone.

Alarm Systems: A computer-based electronic system, monitored by an off campus alarm company, immediately notifies campus facilities staff (on campus and off campus) upon activation and follows up with 911 services, as needed. These systems are located around the main campus in Claremont and at the Academic Centers in Keene and Lebanon. In the event of fire alarm activation, the Claremont, Keene and Lebanon police and fire departments, respectively, will be notified immediately through a Master Box system.

Video Monitoring: All locations public areas are wired with IP video recording systems. This enhances the campus safety and accountability. "Video Surveillance In Use" signs are posted at all entrances.

RAVE Alerts: RAVE Alerts is a free emergency notification system that will help ensure rapid and reliable mass communication to students, faculty, and staff. RAVE Alerts is designed to communicate with cell phones (text and voice messages), landlines, and e-mail systems, should a crisis, emergency situation or weather closure/delay occur on an RVCC campus.

College Website: Emergency events and notices for closings are available on the College website. Additionally, current and the past three years' crime statistics are available on the College website. Students, faculty and staff can access and confidentially report a crime or incident on campus or at an Academic Center using the online Crime/Incident Report form found at <http://www.rivervalley.edu/student-resources/campus-safety>.

CPR/First Aid/AED Training: Designated RVCC faculty and staff training is conducted annually.

NH Violence Against Women Campus Consortium: RVCC is a participant in this state-wide consortium whose mission is to provide a forum where post-secondary institutions in the Granite State can discuss, develop and implement strategies to end violence against women (and men) on their respective campuses. Additionally, the White Ribbon/Violence Against Women is an annual theme for the April display cases at all RVCC campuses

College Sexual Assault Awareness Program (CSAPPnh): RVCC is a participant in CSAPPnh. The New Hampshire College Sexual Assault Policy and Prevention Initiative (CSAPPNH) is a three-year project of [Prevention Innovations Research Center](#) (PIRC) at the University of New Hampshire. Funded by the U.S. Department of Health and Human Services, Office on Women's Health, CSAPPNH aims to build strong and sustainable policies, practices and programs to prevent and respond to campus sexual and relationship violence and stalking at eight New Hampshire Institutions of Higher Education (the seven Community Colleges of CCSNH and Granite State College).

The Safety Committee and CARE team: These teams are composed of members of faculty and staff. The Teams meets regularly, and minutes are taken. (Note: CARE team minutes are taken and maintained. Due to the nature of some of the discussions "closed sessions" are held.)

Thermal scanners at entrances: RVCC has installed kiosk style thermal scanning devices at each entry. The Kiosk detects if a person is wearing a face mask and determines the person's temperature. Any above average readings are double checked manually. Any person who is COVID-19 symptomatic is denied entry to the campus and the Administrative team is notified.

How to Report Crimes at RVCC

All faculty, staff, students and visitors to RVCC's Campuses in Claremont, Keene or Lebanon Cheshire House in Keene can report an emergency by:

- Dialing 911 on any telephone at any location. Telephones are located in the Library, offices, classrooms, and labs.
- Dialing 911 from the telephone located in the elevator – pick up the receiver and the call will be made instantly.
- Going to any office or classroom to ask a faculty, staff or administrator for assistance.

- Contacting a member of College Administration, the Campus Safety Officer, the Safety Committee or the CARE team.
- Accessing the Emergency Call box phones located on the Claremont campus

College Administration encourages prompt and accurate reporting of all criminal matters or incidents that happen at the Campuses in Claremont, Keene, Lebanon, or the Cheshire house in Keene. Persons who are victims of a crime and do not want to pursue action within the College or criminal justice system are encouraged to consider making a report and can do so anonymously if they choose. With permission from the alleged victim, the Vice President of Academic and Student Affairs can file a report on the details of the incident without revealing identities. The purpose of this confidential reporting option is to comply with the wishes of the victim while taking steps to ensure that the safety of the College community is maintained.

RVCC's Emergency Management Plan – Summary

The purpose of RVCC's Emergency Management Master Plan is to establish and document policies, procedures and an organizational structure for response to emergencies at the Campuses in Claremont, Keene, Lebanon and the Cheshire house in Keene. The Emergency Management Master Plan contains clear strategies and roles played by the College's Crisis Management Team during the initial response and throughout the emergency. The Plan will also outline the responsibilities of the Safety Committee & CARE team whose membership includes representatives from all areas of the institution. Members of the Crisis Management Team includes the College President or designee and the Facilities Manager and others as needed.

Nothing in the plan shall be construed in a manner that limits the use of good judgment and common sense in matters not foreseen or covered by the elements of the Plan. RVCC and any emergency planning shall be subordinate to state and federal plans during a disaster declaration by local, state or federal authorities.

The goals of the Emergency Management Plan include:

- Provide for the protection of persons and property in the event of a natural, technological, or human imposed emergency or disaster.
- Establish procedures for alerting the administrators and staff.
- Defining roles and responsibilities of RVCC officials and staff.
- Secure coordinated and cooperative response with municipal and county government and emergency services.

What follows in this report are three features of the RVCC Emergency Management Plan: Emergency Notification & Timely Warning Procedure, Drill Schedule, and Evacuation Procedures.

Emergency Notification & Timely Warning Procedures

Emergency Notification

RVCC's policies guide emergency response and evacuation procedures, including the use of the College's Emergency Notification System – RAVE Alerts. These policies and procedures require the Vice President of Academic and Student Affairs in consultation with the College President, the Director of Campus Safety, or designees, to immediately notify the College community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the Campuses in Claremont, Keene, Lebanon and the Cheshire house in Keene, unless issuing a notification will compromise efforts to mitigate the emergency.

The institution will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. Emergency messages may also be reported to one or all police departments or emergency responders of the Cities of Claremont, Keene and Lebanon. Emergency messages will include information on what has occurred and instructions on what to do next.

Warnings and updates may be distributed to the campus through any one or more of the following mechanisms:

- Blast Email – “All River Valley” email to all employees; “All RVCC Student” email to all registered students.
- Fliers posted on bulletin boards.
- College Website – www.rivervalley.edu
- RAVE Alerts - a free service that automatically sends a brief text message, email or phone message alerting the college community of an emergency situation on the Claremont, Keene, or Lebanon Campuses or the Cheshire House. RVCC Students are automatically enrolled in the RAVE Alert service.
- Alarm System – Evacuation alarm (fire alarm) and/or a voice alert system on the college paging system will be used when there is imminent danger to the community. This system is designed to not only alert the campus community when there is imminent danger but also, when appropriate, follows up with voice instructions.
- Local Media – when appropriate, local area radio, television stations and print media will be notified to assist with notification efforts.

When issued, a copy of a Timely Warning notice will be filed in the corresponding case file. Emergency response and evacuation procedures are tested on a semi-annual basis.

Timely Warning Procedures

The decision to issue a timely warning shall be decided on a case-by-case basis in compliance with the Clery Act. The decision is made by the Vice President of Academic and Student Affairs in consultation with the College president, the Director of Campus Safety, the Business Affairs Officer, and the Facilities Manager, or designees, considering all available facts, whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts. Any Clery Act crime that is reported to campus security authorities or local police agencies (when such agencies notify the institution of said crime) and is considered to represent a serious or continuing threat to students and employees.

RVCC issues timely warnings for the following incidents:

- Criminal Homicide
- Sex Offenses
- Hate Crimes
- Aggravated assault
- Robbery
- Burglary
- Motor Vehicle Theft
- Major incidents of Arson
- Clery Act crime that presents a serious or continuing threat to students and employees.
- Other crimes as determined necessary by College Administration, or designee, or the Chief of Police at any or all Claremont, Keene or Lebanon Police Departments.

RVCC will not issue timely warnings for the above listed crimes if:

- The subject(s) is(are) apprehended and the threat of imminent danger to the RVCC community has been mitigated by the apprehension.
- If a report was not filed with RVCC administration or if RVCC was not notified by college security authorities in a manner that would allow the College to post a “timely” warning to the community. Unless there are extenuating circumstances, a report that is filed more than five days after the date of the alleged incident may not allow RVCC to post a “timely” warning to the community. This type of situation will be evaluated on a case-by-case basis.

Emergency response and evacuation procedures are tested on a semi-annual basis.

Safety Alerts & Tips

At the beginning of each semester, RVCC Safety Alerts and Tips information is distributed

electronically to all students and employees. In the event of inclement weather or other events, RVCC may also issue "Safety Alerts" to apprise the College community of safety issues and concerns. Safety Alerts will include safety tips and recommendations to follow so that the College community can make informed decisions about personal safety.

- Always exit the building when an alarm sounds, unless specifically told otherwise by a College official.
- Familiarize yourself with the building and its exits.
- Know where fire pull alarms and extinguishers are located.
- Review safety/evacuation procedures.
- Pair-up with someone in your class so you can watch out for one another during an evacuation; if you are unable to use the stairs, speak with someone in each of your classes who may act as a "buddy" for you in the event of an emergency.

Emergency Procedure Testing and Drills

Announced and unannounced drills of the fire alarm/evacuation system, College voice paging system, and RVCC Alerts emergency notification system are held semi-annually. Appropriate follow-through activities to assess and evaluate emergency plans capabilities are conducted; recommendations for improvement are made and implemented where appropriate.

- Facility Fire Drills are held each of the fall and spring semesters.
- RAVE Alerts emergency notification system testing will be held once per semester.
- Voice Paging System is tested during college break periods or times when classes are not in session.

Emergency Response & Evacuation Procedures

If there is an immediate threat to the health or safety of students or employees occurring on campus, RVCC will follow its Emergency Notification Procedures. In this instance, RVCC is not required to issue a timely warning based on the same circumstances; however, RVCC will provide adequate follow-up information to the College community, as needed.

RVCC will, without delay and taking into account the safety of the College community, determine the content of the notification and initiate the notification system, unless issuing the notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

1. The first person aware of a fire will immediately activate the fire alarm if it is nearby (or send someone to do it) and, if it is safe to do so, send someone to the Main Reception desk to report the location and size of the fire while directing evacuation of the immediate area.
2. Faculty will ensure the students in their class evacuate the building or wait in the designated areas for handicapped evacuation. Elevators must not be used. Doors should be closed and left unlocked after exiting, including classrooms and hallways. Faculty are asked to bring class rosters outside and ask students to check in with the instructor at the Emergency Assembly Area.
3. Facilities Staff will do a sweep of the building, if it is safe to do so, in order to ensure everyone is out of the building as they exit themselves, and will assist with the evacuation of handicapped individuals in the case of immediate crisis. See: Evacuation Plan for Handicapped Students and Staff below.
4. Faculty and staff must do their best to ensure that all individuals move away from the building and do not block entrances or driveways that may be used by emergency vehicles and personnel.
5. Do not leave campus, doing so will block roadways.
6. Evacuees should gather at the following designated Emergency Assembly Areas:
 1. Main Campus – Claremont
 1. Main Entry (by Library) – South Parking Lot on or near the grassy area.
 2. North Parking area – adjacent to the Gazebo and Soccer Field
 2. Keene Campus – Washington St Keene
 1. Main Entry – Go to South End of Parking Lot – keep driveway and parking area free for emergency vehicles.
 3. Lebanon Campus – Lebanon NH

1. North (back) Parking Lot
4. Cheshire House - Adjacent to Keene state College campus
 1. Opposite sidewalk Winchester St.
7. Calm and order are of prime importance. Speed is secondary. Individuals should evacuate the building without stopping to gather books or other personal belongings. Talk should be kept to a minimum and cell phones should not be used while exiting the building.
8. If an exit is blocked, a faculty or staff member shall instruct the group to proceed to the appropriate alternate route.
9. Once the building is evacuated, no re-entrance may occur until authorized by the Incident Command Post. The Incident Commander will notify each Emergency Assembly Area that it is safe to return to the building.
10. Evacuation Plan for Handicapped Students, Staff and Visitors.
 1. Individuals on the first floor should evacuate with everyone.
 2. To avoid injuries, a handicapped person should be evacuated after all others, when possible.
 3. Elevators must not be used as a means of exit.
 4. Staff/Fire Monitors are requested to assist handicapped persons in their area to exit the building (first floor) or to the nearest accessible stairwell when evacuation is underway and notify the Incident Commander that there is someone awaiting assistance.
 5. Fire Department personnel will be responsible for checking these areas and assist with evacuation as deemed appropriate by them. If the Fire Department has not arrived and danger is imminent, the faculty or staff person in the area will make and implement the decision with the handicapped individual regarding whether and how to transport out of the building.

Daily Crime Log

The College keeps a record of incidents of reported crime and other incidents in a Daily Incident - Daily Crime Log. The Crime Log contains records by the date that the incident was reported and includes information on all crimes and other serious incidents that occur on campus, in a non-campus building or property, or on public property adjacent to the Campus.

The Daily Crime Log is available for public inspection at the main campus in Claremont in the Office of the Director of Campus Safety. The Daily Crime Log includes the nature, date, time and general location of each crime reported to the College, as well as the disposition of the complaint, if this information is known at the time the log is created.

The Director of Campus Safety or designee posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

How RVCC Prevents Crimes

Members of the College community must assume responsibility for their own personal safety and the security of their personal belongings by taking simple, common sense precautions. For example, although the campus is well lit, any student, faculty or staff member can contact a member of the College Facilities staff to escort them to their vehicles. We also encourage use of the "buddy system" to walk to the parking lot. Vehicles should be locked and valuables stored out of sight. Any suspicious individuals or activity should be reported to the Campus Safety and Emergency Management Department, the Facilities Manager, the Vice President of Academic and Student Affairs, or a member of the Administration.

Potential or actual criminal activity and other emergencies can be reported by anyone on the Campuses or at the Cheshire house. The College encourages reporting directly to the local authorities in situations where the need is obvious, such as a theft or a situation requiring immediate medical attention. College personnel will be notified after emergency services are on their way to the campus.

RVCC expects students to be mature, honest and responsible members of the College community. Any behavior that infringes upon the rights, safety, property and privileges of another person or

which impedes the educational process is unacceptable. In addition, any behavior or activity that violates local, state or federal law is unacceptable and will not be tolerated. For further information, refer to the Student Code of Conduct policy located in the Student Handbook or RVCC website

Disciplinary issues are the responsibility of the Vice President of Academic and Student Affairs in conjunction with the Judicial Committee of the College. The Vice President of Academic and Student Affairs, or designee, may take administrative disciplinary action when necessary to ensure the safety of students, faculty and staff, and to ensure the continuation of the educational process.

RVCC Procedures for Responding to Sexual Assault

This section outlines the procedures each location follows in responding to reports of domestic violence, dating violence, sexual assault, or stalking. It assumes that the incident occurred on or near campus (at an official College function or on College property). However, many of the procedures and services described here also apply if the incident occurs off campus or if the individual reporting the incident is not a student.

When an incident is reported to anyone providing sexual assault resources on campus, the person to whom the report is made shall inform the student of her or his option to notify local law enforcement authorities, including the campus safety officer. The student shall also be informed of the importance of preserving evidence required for proof of possible criminal activity, and of the availability of the institutional personnel to assist the student in notifying the authorities of the incident, upon the student's request. Finally, the student shall also be informed of the existing on and off campus counseling, mental health, and other student services.

If the student is willing to report the incident to campus safety, she or he is informed that physical evidence can be collected at the same time as medical care is provided, but that medical evidence for a criminal prosecution cannot be collected without a report being made to the police.

Although the student is not required to notify any law enforcement authority regarding the incident, the person to whom the report is made shall contact campus safety to inform them that an incident of domestic violence, dating violence, sexual assault, or stalking may have occurred. Campus safety in turn shall notify the College Title IX Compliance Officer, who is responsible for coordinating the campus' response to the incident. Licensed mental health workers, who learn about sexual assault as part of their professional roles, are required to maintain confidentiality. Hence only anonymous summary statistical information will be reported. The College Title IX Coordinator will act as liaison to System Title IX Coordinator to assist in system wide tracking and monitoring of incidents of sex discrimination and sexual misconduct.

After campus safety is contacted, an officer will be dispatched to take the report. The student may request a male or female officer to take the report, and this request will be accommodated whenever possible.

If the student is unwilling to report the matter to the police or to be transported to the hospital by the police, she or he is then urged to seek assistance immediately from community health services for coordination of medical care and assistance, counseling, and other available support alternatives.

The student may request changes in her or his academic situation or, in that of an alleged assailant, after the student has made a report of an assault, and the campus shall grant any reasonable request for such change.

When a student reports being a victim of domestic violence, dating violence, sexual assault, or stalking by another student, the College will conduct an investigation and determine if College policies were violated. Depending on the circumstances, the College may impose interim protections and remedies (e.g., an interim suspension) according to the Student Code of Conduct during the College's investigation of the domestic violence, dating violence, sexual assault, or stalking allegations.

At the conclusion of its investigation, the investigator will forward findings to the Judicial Committee. After receiving the results of the investigation, the Conduct Board will determine whether or not to charge the responding student with a potential violation of the Student Code of Conduct, and communicate that decision in writing.

When student conduct charges are brought against a student by the College, the case shall be resolved according to the CCSNH Student Code of Conduct and Judicial Process.

All incidents reported regarding domestic violence, dating violence, sexual assault, or stalking are forwarded to the Vice President of Academic and Student Affairs who will identify the appropriate investigator to complete the investigation. The conduct process is suspended until the conclusion of the investigation.

A prompt, fair, impartial investigation and resolution will be provided. The CCSNH incident resolution process must be conducted by officials who receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

The responding individual is entitled to due process and will be given notice and a full opportunity to respond to the allegation made against her or him.

Both the reporting student and responding student can have an advisor of choice to assist them throughout the process and is entitled to information about campus policies and procedures that will be followed to address the issues.

Please note that all incidents reported regarding domestic violence, dating violence, sexual assault, or stalking are forwarded to the Vice President of Academic and Student Affairs and CARE team for investigation and the Code of Conduct Process is suspended until the conclusion of the investigation.

Disclosures to Alleged Victims of Crimes of Violence or Non-Forcible Sex Offenses

In cases involving allegations of domestic violence, dating violence, sexual assault, or stalking, both the reporting student and responding student will receive simultaneous written notice of the outcome of the CCSNH resolution process.

In cases involving allegations of domestic violence, dating violence, sexual assault, or stalking, both the reporting student and the responding student have the right to appeal an administrative decision or formal hearing outcome.

When a student who reports being sexually assaulted files charges with the local Police Department, the criminal investigation and the campus administrative investigation are coordinated but independently conducted, on a case-by-case basis.

Campus Support for Victims of a Sex Offense

RVCC is acutely aware of the concerns of students, faculty and staff regarding the sudden and dramatic increase in the number of victims seeking help who have been sexually harassed, assaulted or raped, experienced dating violence or stalking on college campuses. It is the policy of the

Community College System of New Hampshire that all employees and students of the state's community colleges work/study/attend classes & activities in an environment that is safe, free of discrimination and harassment.

Where such activities are in violation of the RVCC Student Code of Conduct, these activities may be referred to the RVCC Judicial Board, and/or College administration for adjudication.

In the event of a claim of rape or sexual assault, the alleged victim will be:

- Supported and brought to a safe location at the Main Campus or at the Academic Centers.
- Treated with respect; placing no blame for the assault. No pressure will be used to force the alleged victim to make decisions.

RVCC Drug & Alcohol Policy

Alcoholic Beverages and Controlled Substances

The possession, sale, or the furnishing of alcohol on the RVCC campus is governed by CCSNH Alcohol Policy and New Hampshire state law. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by RVCC. Violators are subject to College disciplinary action, criminal prosecution and fines. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of the CCSNH Alcohol Policy for anyone to consume or possess alcohol in any public or private area of campus not specifically allowed by CCSNH policy. Organizations or groups violating alcohol/substance policies or laws may be subject to sanctions by the College. In addition, CCSNH and its colleges have an interest in off-premise events held in their names. If alcohol is used illegally or inappropriately at such events, CCSNH or the college may take steps to protect its interests including, but not limited to, instituting disciplinary action against an employee or student.

Employment Policies are available in Human Resources (Claremont campus) and Student's Code of Conduct Policies are available on-line at <http://www.ccsnh.edu/about-ccsnh/board-policiesystem-policies-and-fees> and in the online Student Handbook

Domestic Violence in the Workplace Policy

In conjunction with all public agencies and institutions in New Hampshire, RVCC abides by the Domestic Violence in the Workplace Policy. This policy addresses acts of domestic violence perpetrated by or against any employee while in college offices, facilities, work sites, vehicles or while conducting college business and specifically, that these acts will not be tolerated.

This includes the display of any violent or threatening behavior by a perpetrator (verbal or physical) that is likely to result in physical or emotional injury or otherwise places a victim's safety or productivity at risk. This policy addresses the particular concerns of domestic violence and its impact on the workplace.

Any employee, student or vendor who on RVCC property threatens, harasses, or abuses someone at the workplace, or from the workplace, using college resources such as work time, workplace phones, fax machines, mail or other means is subject to corrective or disciplinary action, up to and including dismissal. This policy shall be interpreted consistently with the policy prohibiting sexual harassment.

All employees need to take seriously the problem of domestic violence and its effects in the workplace. RVCC will take all reasonable measures to foster a safe working environment for all employees. Any employee can disclose that he or she is a victim or perpetrator of domestic violence to the State of New Hampshire Employee Assistance Program at 1-800-852-3345, extension 4336 or 271-8916. The Domestic Violence in the Workplace policy, in its entirety, can be found at: <http://doj.nh.gov/criminal/victim-assistance/documents/domestic-violencepolicy.pdf>.
